Subject:	Object to the 14.2% Proposed Property Tax Increase on Our Home for 2023
Date:	Wednesday, November 30, 2022 8:59:32 AM

Greetings,
I'm writing to object to the 14.2% increase in our property taxes for 2023. We reside at 306 Selby Avenue, St. Paul. Following several increases in our taxes in our 13 years of ownership this last one seems the most draconian. We are seniors on retirement income. We would like to keep living in our City that we so enjoy. Please don't make it such a financial burden to do so.
Sincerely,
Corey Mohan
