Mai,

Please see the attached letter regarding finacial resources for this project. The intial estimate for finishing this project was 10,000, but I am providing information on resources of 25,000.

You should have received a plan and timeline already in a separate email from James VinZant who is general contractor for this project.

Please let me know if you need additional information.

Sylvia,

See letter attachment. Hopefully this should be adequate. If you'd like to drop by the branch and pick up the original just let me know. And thank you for your business! :o)

Sincerely,

Emmanuel Betinis
