December 27, 2019

Dear Tobacco Retailer:

As of **November 27, 2019** the City of Saint Paul prohibits the sale of all tobacco products to anyone under the age of 21 years.

To help you enforce this ordinance we are enclosing stickers to post in your store to alert customers to the new age requirements. If you would like additional stickers, please contact [signorders@ansrnmn.org](mailto:signorders@ansrnmn.org) or Saint Paul Department of Safety and Inspections at 651-266-8989.

Tobacco retailers should always check the ID of customers and train their employees on the legal requirements for the sale of tobacco. Penalties for violating Saint Paul's ordinance include fines and possible revocation of your tobacco license.

A FREE comprehensive online training for tobacco retailers and their employees is available at [www.stopsalestominors.org](http://www.stopsalestominors.org)

WHEREAS, Minnesota Statute § 609.685 regulates the sale of tobacco to persons under 21 imposing administrative, petty misdemeanor, and misdemeanor penalties and it is not necessary for a separate ordinance penalty; and

WHEREAS, price is the single most important factor in reducing smoking; and

WHEREAS, tobacco is a leading cause of premature, preventable death in Minnesota and high prices are the single most effective way of preventing youth from starting to smoke and encouraging adults to quit; and

WHEREAS, cigarettes, e-cigarettes, cigars, pipes, and cigars, which contain nicotine, which is highly addictive; and
