Think Before You Click: This email originated **outside** our organization.

Hello, city hall gang!

We tried four different contractors—maybe it's Covid-19? And finally gave in and paid through the nose, but the job of the retaining wall at 769 Hague ave is done! Sending you photos:

Lots of tree shadows but I think your inspector can see it's finished.

Thank you so much for your patience as we dealt with this construction mess. Hope you can enjoy these next glorious days and have a fun Halloween if that's your cup of tea. (Child #2 has been designing costume since august.)

Sincerely,

Sally Klein and Charles Rafowicz, 769 Hague ave 310-422-4468.

Were not certain if we need to make this appeal as the materials have been removed from the median but we're concerned because we're still working on the wall so blocks on the lawn but have a child going to Mayo this week with infusions next week so will be until probably mid to end July to finish project.

As you can see here. They been removed from the median.
