Approving an agreement between the City, the cities of West St. Paul and Mendota Heights, and the Lower Mississippi River Watershed Management Organization (LMRWMO) regarding the erosion stabilization of the Cherokee Heights Upper Ravine, and installation of two hydrodynamic separator stormwater treatment devices.

WHEREAS, the Cities of Saint Paul, West St. Paul, and Mendota Heights ("Partners") previously entered into an agreement for the Erosion Stabilization Project Cherokee Heights Upper Ravine, approved in or around August and September of 2017 (“First Agreement”); and

WHEREAS, it is considered mutually desirable by the Partners and LMRWMO to stabilize the Cherokee Heights Upper Ravine and install two hydrodynamic separator stormwater treatment devices ("Project"); and

WHEREAS, the LMRWMO has applied for and received a grant from the Minnesota Board of Water and Soil Resources of $700,000 for the Project; and

WHEREAS, the Partners and LMRWMO now intend to terminate the First Agreement and replace it with this agreement (“Agreement”); and

WHEREAS, the Partners and LMRWMO will share in the Project costs, responsibilities, and related activities as set forth in this Agreement; and

WHEREAS, the City of Saint Paul is the lead entity on the Project, when the attached Agreement is executed; and

Be it RESOLVED by the City of Saint Paul that the City execute the attached Agreement and forward it to the Cities of West St. Paul and Mendota Heights and the LMRWMO for execution; and

Be it FINALLY RESOLVED by the City of Saint Paul that Bruce Elder, Sewer Utility Manager, or his designee

be the authorized representative of the Project.
