Amending the 2017 spending budget for the Office of Financial Services.

ADMINISTRATIVE ORDER, consistent with the authority granted to the Mayor in Section 10.07.4 of the City Charter, and on the request of the Director of Financial Services to amend the 2017 spending budget for the reallocation of funds within existing budgets. This is an attempt to have individual accounting unit budgets most accurately reflect the anticipated spending actuals at a detailed level, which will also allow for the availability of sufficient spending authority within these accounting unit budgets. The Director of the Office of Financial Services is authorized to amend said budget in the manner specified in the attached financial analysis form.
