Subject: 709 Bedford Street

Hello,

I received a notice of assessments for 709 Bedford Street. I would like to dispute this. 709 Bedford Street never had a garbage problem. The garbage problem was on my neighbor's property at 705 Bedford Street. I used to own 705 Bedford Street but sold it in October 2021. The new owner failed to set up garbage service even though I reminded them several times. Consequently their tenants started piling their garbage on the curb because there were no garbage cans. 703-705 Bedford received notices from the city - I know this because the new owner neglected to notify the city of their new owner contact info so I received their mail. But 709 Bedford Street never had garbage on it nor received notices.

Please let me know the next steps to dispute this erroneous charge. Thank you,
Laurel
