Re: 1600 White Bear Ave

*This is a copy of the letter we sent on May 3 of this year regarding the White Dragon Hall converting to a restaurant space. Please let me know if you have any questions or concerns.*

At the monthly meeting on Wednesday, April 21 the board of directors of the Greater East Side/District 2 Community Council reviewed the new class n license application liquor on sale for 291 or more seats, liquor on Sunday and entertainment class b for 1600 White Bear Ave N (White Dragon)

The business has been functioning as a catering hall for many years. Our office has received no complaints or concerns regarding this property in the past nor were there any concerns or complaints expressed by our board members. We are also of the position to support our new and current business owners following a difficult year due to the COVID 19 pandemic. The council board thus moves to support the applications.

Please feel free to contact me with any questions or concerns. We wish success to the owner(s) and encourage them to contact us as well with any questions.

Sincerely,

A handwritten signature in cursive script that reads "Lisa Theis".
