Form of Public Infrastructure Conveyance

PUBLIC INFRASTRUCTURE CONVEYANCE

ORDINANCE PERMIT # #20210010205

This Public Infrastructure Conveyance Agreement (“Agreement”) is made and entered into effective January 20, 2022, by and between PROJECT PAUL, LLC, a Delaware limited liability company (“Developer”), and CITY OF SAINT PAUL, MINNESOTA, a municipal corporation existing under the laws of the State of Minnesota (“City”).

NOW, THEREFORE, in consideration of the mutual obligations of the parties hereto, each of them does hereby covenant and agree as follows:

1. Notification. The Developer has delivered to the City a duly executed Certificate of Completion and, thereafter, the City has determined that the applicable components of the Public Infrastructure as described in **Exhibit A** hereto (the “Infrastructure”) appear to have been constructed in accordance with the approved plans and specifications and the preliminary and final plat and has so notified the Developer in writing. As a result, via this Agreement, the Developer is conveying the Property to the City in accordance with the Site Improvement Performance Agreement, dated December 19, 2019. The acceptance of the Infrastructure does not take effect until the Saint Paul City Council accepts the Infrastructure via Resolution.

2. Representations. The Developer hereby represents, certifies, and promises to the City the following:

- (a) With respect to the Property, Developer has complied with the provision of the Redevelopment Agreement, dated December 19, 2019, including that the Property conveyed to the City in this Agreement is completely constructed, constructed in compliance with all applicable Standards as described in the St. Paul Department of Public Works’ Construction of Infrastructure by Private Developers Policy, is free of defects, and is free and clear of any encumbrances or liens.
- (b) A final walk-through inspection with appropriate City staff has been completed and any required corrective work (written punch list) determined through said walk-through or as determined under the normal and ordinary course of on-site observations by City staff or those hired by the City to complete such observations, has been completed.
- (c) The following documents respecting the Property are complete, accurate, and have been filed with the appropriate department(s) of the City of Saint Paul:
 - (i) Original, reproducible As-Built Plans acceptable to the Department of Public Works, City of Saint Paul are on file with said Department.
 - (ii) Certificate of Completion signed by Engineer of Record who is a licensed Professional Engineer with the State of Minnesota per Minnesota State Statute 326.

[Exhibit N to Site Improvement Performance Agreement (Ford Site)]

- (iii) For sewer systems, video records of televised inspections of sewer mains have been submitted by permittee and approved by Sewer Utility staff.
- (iv) For sewer systems, sewer connection permit information on file with Public Works.
- (v) Operation and Maintenance plans.
- (vi) All other permit requirements as set forth in the Ford site ordinance permit policy.
- (d) Developer has undertaken any and all necessary actions to assign warranties it owns or possesses on or with the Property to the City.
- (e) Developer will duly execute and deliver any other documents as may be reasonably and customarily required in connection with the transfer of the Property to the City.

3. Conveyance. The Developer hereby dedicates, conveys and assigns in good title to the City of Saint Paul, together with all hereditaments and appurtenances all rights, entitlements, benefits, permits, approvals, and licenses that pertain to, with, or in the Property in its entirety, without reservation or exception, together with all warranties, free and clear of any mortgage, pledge, hypothecation, encumbrance, lease, license, lien or others security interest. If necessary, Developer shall execute a recordable Warranty Deed to be recorded with the Ramsey County Registrar’s Office.

IN WITNESS WHEREOF, the City and Developer have caused this Agreement to be duly executed in their names and on their behalf, all on or as of the date first above written.

PROJECT PAUL, LLC,

 Notary Public

January 20, 2021

The safety and health of our Ryan team members, our clients, our partners and the general public is a top priority at Ryan. Safety is a key core value at Ryan, and we are committed to maintaining a safe work environment in our offices and at our project sites, including Highland Bridge.

As part of that commitment to safety, many of our employees are working from their homes which brings challenges as it relates to notarizing specific documents.

Ryan and the City of Saint Paul have confirmed the Form of Public Infrastructure Conveyance is not recorded at the County Recorder's Office so a notary is not necessary. As such, the notary requirement for the Form of Public Infrastructure Conveyance is deleted.
