Re: Appeal for Property at 680-690 Bayfield

Dear Mr. Burgess:

This is to confirm that at the Legislative Hearing on February 8, 2022, Legislative Hearing Officer Marcia Moermond recommended the City Council **grant your appeal on the conditions that 1) within the 680 hanger, the larger of the 2 non-sprinklered spaces, or void areas, the ceiling is patched on the sloped portion above the existing sprinklers heads at the base of the wall; and 2) a partial wall or physical barrier to the larger open area be installed to prevent it being used as storage or other occupied space.**

The City Council Public Hearing is scheduled for Wednesday, February 23, 2022 at 3:30 pm. in room 300 City Hall. If you are contesting Ms. Moermond's recommendation, you may appear in person or send written testimony to be added to the record to legislativehearings@ci.stpaul.mn.us or by voicemail at 651-266-6805. **Should you wish to address Council directly but not appear in person, please call me at the number below.** If you don't wish to contest, no further action is needed.

Sincerely,

/s/

Joanna Zimny
Legislative Hearing Executive Assistant
