I am a St. Paul resident living at 1615 Beechwood Avenue (55116) writing to you to ask you to support the change to Chapter 409.01 of the Legislative Code that will align with the requirement for caterer’s permits with MN State 340A.404 Subd. 14 . As a member of AAUW St. Paul, I am in favor of the change to the ordinance. This ordinance change is of the utmost importance to the continuance of our catering business and all venues similar to ours. Many venues in St. Paul operate the same way AAUW business does and need this change. The business has been operated for 50 years at 990 Summit Avenue as a catering business without a problem.

Hello, I'm Carol Hansen. I am the President of the American Association of University Women of Saint Paul located at nine ninety Summit Avenue and I'm calling to ask you to support the change to chapter four, oh nine point zero, one of the legislative code that will align the requirement for caterers permits with the Minnesota State three forty a point four four subdivision fourteen. As the President of the Association of University Women of Saint Paul, I am in favor of the change of this ordinance. This is of utmost importance to the continuance of our catering business and all venues like ours. Many venues in Saint Paul operate the same way that our business does and we all need this change. Our business has been operating successfully since nineteen fifty as an event venue without a problem. We must pass this ordinance for the survival of many of the Saint Paul event venue businesses. Thank you so much for your time again. Carol Hansen, president of AAUW Saint Paul and my number is 612-210-6677. You really do not need to call me back. I just wanted to call and ask for your support. Thank you very much. Bye.
