Good morning Jay,

We're reviewing files for tomorrow's hearings, and due to the short length of time 970 Reaney was in the program, Ms. Moermond will recommend this assessment is **deleted**.

We won't be calling you tomorrow, and you shouldn't hear anything further about this Vacant Building fee. If you do, of course email me.

Thank you!

1. I would like to file an appeal for the vacant building registration fee for **240 Cottage**. According to the letter received, the vacant building renewal date is 3/25/22. Am I able to file an appeal online with you? Or how does that work? **You can appeal the Warning letter once you receive it; the Registration renewal went out February 23 and we are well past the 10 day time period**

to appeal. You appeal the same way you do any appeal except tax assessments, by filling out the appeal form (attached) and paying the \$25 fee (you can mail if done timely or bring into our office).

2. We received the warning letter for **16 Acker St W** in the mail. I would like to file an appeal. Am I able to schedule the hearing online? Or who should I contact? **This can be appealed, same process as noted in item one. Note you will need to do this today or by close of business tomorrow** because it was sent March 14.
3. Do you know if the warning letter for **743 3rd St E** has been mailed out yet? We have been keeping an eye out for it, but have not seen it. **Yes it was sent March 18; a copy is attached. Same process as above for appealing.**
4. Last week you informed me that **970 Reaney** went into assessment on 3/2/22. Any idea if the assessment letter for 970 Reaney has been mailed out yet? Again, we have not received it yet and just want to ensure we didn't miss it. **No, these have not been scheduled yet.**
5. We received the 'Notice of Hearing' letter for **706 Conway**. The legislative hearing is scheduled for April 5th at 9am. Will you please add me to the schedule, so that I may appeal? The number I would like to be called on for that hearing is 651-251-7125. **Yes, I will enter a TA for this pending tax assessment. We'll call you at the number you noted between 9 and 11 am.**

2. It does not appear those notices have been mailed or scheduled for hearings yet. Please contact our office to appeal once you receive the notice and we'll schedule it.
3. When you paid the Vacant Building fee you were agreeing to it. There is no way to prorate a fee that has been paid, unfortunately. That is only an option if it is an assessment.

Think Before You Click: This email originated **outside** our organization.

Good afternoon,

Thank you for getting back to me so quickly. I just have a couple of follow up questions for you.

1. 609 Sims Ave - We did receive the tax assessment notification. However, for some reason, we did not receive the letter regarding the legislative hearing that was set for March 1st until March 1st. I am unsure if it was an issue with mail delivery or came late for some other reason. However, we were not able to contest this via a legislative hearing on the originally scheduled date. Is it possible to schedule a legislative hearing for this property now?
2. 970 Reaney - Since the registration fee went to assessment on 3/2/22, I believe we should have already received the notice. However, we still have not received it. Will you please email us a copy of the letter? We would like to appeal the fee for this property.
3. 225 Winifred - We would like to ask to have the fee that we paid on 7/14/21 prorated? What is the process for doing so?

Thank you very much for your time and assistance with these matters. Have a great day.

Good morning Mr. Mitchell,

1. 609 Sims Ave – both the main and rear unit are Category 2 Vacant Buildings. These went to assessment on 12/1/21. Nothing can be appealed until the owner receives the tax assessment notification. Looks like this just went through sale review for the main building.
2. 16 W Acker - this was made a Category 2 Vacant Building 2/9/22. The warning letter just went out today, so you can appeal that if you want once it arrives.
3. 743 3rd St E – this is a Category 1 Vacant Building on 2/15. Because it's a cat 1 once it has its Certificate of Occupancy back you'll be released from the program. It is too late to appeal the registration letter, but you/owner should be getting the warning letter within a week or so.
4. 970 Reaney – this registration has already got to assessment as of 3/2 (for 2022 to 2023). The assessment can be appealed once that notice is received. This is a Category 2 and has been in the program since 2017.

For 716 Sims, Ms. Moermond won't give a further extension, but once the fee goes unpaid and is processed as an assessment it can be appealed and if you are done can request that the fee be prorated/reduced for your time in the program.

225 Winifred is no longer in the Vacant Building program. Looks like the Code Compliance was just approved 2/7/22. You are correct, this is a prospective fee. Nothing to appeal here.

Thanks,
Joanna

Good afternoon Joanna,

I hope this email finds you well.

I would like to talk to you about several properties that are on the vacant building list.

I would like to appeal the Vacant Building Registration fee for the following properties:

1. 609 Sims Ave
2. 16 W Acker
3. 743 3rd St E
4. 970 Reaney

Also, I have been granted an extension on the Vacant Building Registration for 716 Sims until April 5, 2022. Is it possible to get a 30 extension on this?

I also want to ensure that I will no longer be charged the annual vacant building fee for 225 W Winifred. I paid the annual fee on July 14th, 2021. When I paid the fee in July, was that for the upcoming 12 months, or was it for the previous year?

Will you please give me a call at your earliest convenience to discuss these properties? My direct line is 612-251-9892.

Thank you in advance for your time and assistance. It is greatly appreciated.

Have a great weekend.

Kind regards,
