PREAMBLE

This Agreement is by and between Independent School District No. 625 and Local Union No. 70, International Union Of Operating Engineers, AFL-CIO.

This Agreement has been entered into between Independent School District No. 625, hereafter referred to as the Employer, and Local Union No. 70, International Union of Operating Engineers, AFL-CIO, hereafter referred to as the Union. This Agreement has as its purpose, the promotion of harmonious relations between the Employer and the Union, the establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of rates of pay, benefits, hours of work, and other conditions of employment. The parties hereto pledge that they shall pursue the above objectives in full compliance with the requirements of the Public Employment Labor Relations Act of the State of Minnesota of 1971, as amended.

ARTICLE 1. RECOGNITION

- 1.1 The Employer recognizes the Union as the sole and exclusive bargaining agent for the purposes of establishing wages, benefits, hours, and other conditions of employment for all of its employees as outlined in the certification by the State of Minnesota Bureau of Mediation Services under Case No. 73-PR-449-A, as amended, to read as follows:

All regular, probationary, and provisional engineering and building maintenance personnel who are employed by Independent School District No. 625, and whose employment service exceeds the lesser of 14 (fourteen) hours per week or thirty-five percent (35%) of the normal workweek and more than sixty-seven (67) workdays per year in the following classifications:

Custodian-Engineer 5, Board of Education,
Custodian-Engineer 4, Board of Education,
Custodian-Engineer 3, Board of Education,
Custodian-Engineer 2, Board of Education,
Custodian-Engineer 1, Board of Education,
Facility Services Worker,
Trainee (Custodian-Engineer),
Custodian*,
Custodial Worker*;

excluding supervisory, managerial, clerical, confidential, and temporary employees, those exclusively represented by other labor or employee organizations, and all other employees.

- 1.2 The parties agree that any new classifications which are an expansion of the above bargaining unit or which derive from the classifications set forth in this Agreement shall be recognized as a part of this bargaining unit, and the parties shall take all steps required under the Public Employment Relations Act to accomplish said objective.
- 1.3 Temporary employees are recognized as within the unit covered by this Agreement, however, except as specifically provided by this Agreement (see Article 5), temporary employees shall not have nor acquire any rights or benefits other than specifically provided by the provisions of the Civil Service Rules.

*Abolished except as to present incumbents.

ARTICLE 2. DEFINITIONS

- 2.1 Collective Bargaining. The Employer will bargain collectively with the Union with respect to rates of pay, hours, and other conditions pertaining to employment for all of the employees in the unit hereinbefore set forth.
- 2.2 Maintenance of Standards. The Employer agrees that all conditions of employment relating to wages, hours of work, overtime differentials, vacations, and general working conditions shall be maintained at not less than the highest minimum standard as set forth in the Civil Service Rules of the City of Saint Paul (Resolution No. 3250), at the time of the signing of this Agreement, and the conditions of employment shall be improved wherever specific provisions for improvement are made elsewhere in this Agreement.
- 2.2.2 Civil Service Rules 8.A.3 and Civil Service Rule 14 shall not apply to applicants and employees from the city of Saint Paul.

ARTICLE 2. DEFINITIONS (continued)

- 2.3 Discrimination. The Employer will not interfere with, restrain or coerce the employees covered by this Agreement because of membership in or activity on behalf of the Union. The Employer will not discriminate in respect to hire, tenure of employment or any term or condition of employment against any employee covered by this Agreement because of membership in or activity on behalf of the Union, nor will it discourage or attempt to discourage membership in the Union, or attempt to encourage membership in another Union.

ARTICLE 3. UNION RIGHTS

- 3.1 The Union may designate employees within the bargaining unit to serve as Union Stewards and shall be required to administer this Agreement.
- 3.2 The Union shall furnish the Employer and appropriate department heads and District Negotiator with a list of Stewards and alternates, and shall, as soon as possible, notify said appropriate District officials in writing of any changes thereto. Only those who are Officers and Stewards shall be recognized by the Employer for the purpose of meetings.
- 3.3 There shall be no deduction from the pay of a Steward when directly involved in meetings with management relating to the administration of this Agreement during working hours.
- 3.4 Designated Union representatives shall be permitted to visit employees on job sites and at department buildings during working hours for the purpose of the administration of this contract, so long as the Union representative does not interfere with the completion of the employees' job duties.
- 3.5 Shop Steward. The Chief Steward or Assistant Chief Steward in the District will be allowed to accompany an employee to meet with the Employer during regular working hours for the purpose of grievance review and dispute resolution involving employees, under the following conditions:
- 3.5.1 That only one employee from any one department be allowed to leave his/her work.
- 3.5.2 That stewards will attend these meetings on their own time when they are held outside of regular working hours.
- 3.5.3 That adequate notice is given to the supervisors so that permission may be obtained from the Facility Operations Office.
- 3.5.4 That the steward has officially been designated as such by the Union.
- 3.5.5 Only the chief or assistant chief steward shall be excused for participation in grievance and/or dispute resolution meetings.
- 3.6 A maximum total of eighty (80) hours without loss of pay per contract term will be allowed for the combined use of a maximum of four (4) shop stewards to participate in contract negotiations, mediation, or arbitration meetings which are held during the regular working hours of any of the stewards. It is understood that Union and the Employer will, to the greatest extent possible and reasonable, schedule such meetings outside regular working hours, and stewards will attend the meetings when this is the case on their own time.

ARTICLE 3. UNION RIGHTS (continued)

3.7 Union Conventions. Duly-elected Union delegates shall be granted time off without pay for one (1) week to attend such convention. Vacation or compensatory time may be used for this purpose. The Union shall give at least ten (10) working days' advance notice of the employees who will be participating in such conventions.

3.8 Dues.

3.8.1 The Employer agrees to deduct the affirmatively authorized Union membership initiation fee assessments and once each month dues from the pay of those employees who individually and affirmatively request in writing that such deductions be made. The amounts to be deducted shall be certified to the Employer by a representative of the Union and the aggregate deductions of all employees shall be remitted together with an itemized statement to the representative by the first of the succeeding month after such deductions are made or as soon thereafter as is possible.

3.8.2 The Union shall immediately notify the employer of any member who, in accordance with provisions stated on the authorization card, affirmatively revokes authorization of said dues and shall provide the employer with a copy of said revocation.

The Employer will endeavor to implement changes to dues checkoff in a timely manner provided that notifications to the employer of any change to the authorization of dues is done within the operating parameters of the Employer for the implementation of authorized changes.

3.8.3 The Union will indemnify, defend, and hold the Employer harmless against any claims made and against any suits instituted against the District, its officers or employees, by reason of negligence of the Union in requesting or receiving deductions under this Article. The District will indemnify, defend, and hold the Union harmless against any claims made and against any suits instituted against the Union, its officers or employees by reason of negligence on the part of the Employer in making or forwarding deductions under this Article.

3.8.4 The Employer will notify the Union in writing of all new employees covered by this Agreement within a reasonable time period of the employee's first day of work. The Employer will notify the Union at regular intervals regarding employee status changes, including unpaid leave, promotion, demotion, resignation, layoff, and/or retirement.

ARTICLE 4. MANAGEMENT RIGHTS

4.1 The Union recognizes the right of the Employer to operate and manage its affairs in all respects in accordance with applicable laws and regulations of appropriate authorities. The rights and authority which the Employer has not officially abridged, delegated or modified by this Agreement are retained by the Employer.

4.2 A public employer is not required to meet and negotiate on matters of inherent managerial policy, which include, but are not limited to, such areas of discretion or policy as the functions and programs of the Employer, its overall budget, utilization of technology, and organizational structure and selection and direction and number of personnel.

ARTICLE 5. TEMPORARY EMPLOYMENT

The District and Union acknowledge three types of temporary employment: Casual Service, Short-term Service, and Extended Service. All persons employed in any temporary status or any extension of temporary service must knowingly consent to such extension and complete a Temporary Employment Certification Form acknowledging the temporary nature of the assignment. All persons employed in any temporary status will be members of the bargaining unit following the completion of sixty-seven (67) workdays, and have the terms and conditions of employment set forth in this Article. An extension of temporary assignment does not create any continuing employment rights for the temporary employee.

5.1 Casual Service Temporary Employment

Casual service temporary employment will be characterized by assignments that are less than sixty-seven (67) days in duration, and the terms and conditions of employment are established solely by the Employer. These are not positions covered by the bargaining unit. Work assignments will typically be overflow work which serves as an extension of, and not a replacement for, the normal workforce of regular employees.

5.2 Short-Term Temporary Employment

- 5.2.1 Short-term temporary employment will be characterized by an initial employment assignment for up to 1,040 hours. One extension for up to an additional 1,040 hours will be permitted. A copy of the completed Temporary Employment Certification Form signed at the time of the extension will be sent to the Union.
- 5.2.2 Short-term temporary employees will be paid at the current minimum hourly rate in Appendix A for the job class hired.
- 5.2.3 Short-term temporary employees will receive paid time off for the named holidays in Article 9.
- 5.2.4 There shall be no other access to contractual benefits except as specifically stated in 5.2.3 above.
- 5.2.5 Short-term temporary employment work assignments typically will serve as short-term replacements for positions normally filled by regular employees.
- 5.2.6 Such assignments will normally be to cover for the following conditions:
 - a) regular employees on paid leave,
 - b) regular employees on non-compensatory leaves with guaranteed return,
 - c) vacancies in job classes where there is no list of eligible candidates in place from which to make regular appointments,
 - d) positions that are of specific limited duration of less than twelve (12) months in duration,
 - e) other similar assignments.

ARTICLE 5. TEMPORARY EMPLOYMENT (continued)

5.3 Extended Service Temporary Employment

Extended service temporary employment will be characterized by temporary employment which requires assignment beyond 2,080 hours, but is nevertheless temporary in nature.

- 5.3.1 If the District determines the assignment for a short-term temporary employee must be extended beyond 2,080 hours, the assignment will be considered an extended service temporary assignment.
 - 5.3.1.1 The District, Union and temporary employee must agree to any short-term temporary employment that is to be extended beyond 2,080 hours.
 - 5.3.1.2 The District, Union and temporary employee will sign the Temporary Employment Certification Form acknowledging the temporary nature of the assignment.
 - 5.3.1.3 Upon agreement, the temporary employee will be considered an extended service temporary employee.
- 5.3.2 Extended service temporary employees will be paid at the current minimum hourly rate in Appendix A for the job class hired.
- 5.3.3 Extended service temporary employees will have access to contractual benefits as described in 5.3.3.1 through 5.3.3.4 below. The benefits in 5.3.3.1 through 5.3.3.4 will be effective the first full pay period after the completion of the first 2,080 hours in temporary status and after the signing of the Temporary Employment Certification Form.
 - 5.3.3.1 Paid sick leave time shall begin to accrue for all hours on the payroll, based on a formula of .0576 hours time earned for each straight-time hour on the payroll. Maximum accrual allowed is 200 hours. There is no exchange of accrued unused sick leave for cash payment.
 - 5.3.3.2 Paid personal leave time shall begin to accrue (as vacation), for all hours on the payroll, based on a formula of .0385 hours time earned for each straight-time hour on the payroll.
 - 5.3.3.3 The employee shall have access to paid holidays as provided in the labor agreement in Article 9, Section 9.4.
 - 5.3.3.4 The employee shall be eligible for participation in and Employer contribution to health care coverage and life insurance coverage as provided for active regular employees in Article 18, Section 1. Temporary employees will be required to contact the Benefits Office to apply for appropriate benefits. No access or benefit beyond these specified sections is granted or created or intended or implied. Any cost of any premium for any District-offered employee or family insurance coverage in excess of the specified District maximum contribution limits shall be paid by the employee via payroll deduction.

ARTICLE 5. TEMPORARY EMPLOYMENT (continued)

- 5.3.4 There shall be no other access to contractual benefits except those specifically stated in 5.3.3 above.
- 5.3.5 An extended service temporary employee who, through the appropriate merit based examination procedures, becomes employed as a regular employee covered by this Agreement during the period of Extended Service Temporary Employment shall have his/her period of temporary employment in excess of the initial 1,040 hours recognized toward completion of the probationary service requirement in the regular appointment.
- 5.4 None of the provisions of this Article shall have any retroactive effect for any employee in any temporary employment status prior to the effective date of this Article, July 1, 1993.
- 5.5 No access to continuing employment is created or intended by any provisions of this Article.

ARTICLE 6. PROBATION

- 6.1 General Principles. This Article is effective for appointments made on or after July 1, 2010. Extended absences of any kind (paid or unpaid) lasting one (1) month or more in duration may be excluded when calculating time toward the completion of any probationary period.
- 6.2 Original Employment Probation. A new employee shall serve a twelve (12)-month probationary period following regular appointment from an eligible list to a position covered by this Agreement. For the purpose of this Article, twelve (12) months shall mean twelve (12) calendar months, including non-work months. At any time during this original probationary period, the employee may be suspended, disciplined or discharged at the discretion of the Employer, and without recourse to the grievance procedure. If an employee is laid off or terminated during the probationary period, but without receiving an unsatisfactory rating and is subsequently rehired into the same title within two years of the layoff or termination, the total probation period shall not exceed the original 12 month requirement. Performance reviews will be conducted at a minimum of once within the fourth and eighth month of employment and prior to the end of the probationary period.
- 6.3 Promotional Probation. An employee newly promoted to a position covered by this Agreement shall remain on promotional probation for a period of six (6) months. Six (6) months shall mean six (6) full-time equivalent months (1,040 hours on the payroll). The calculation for time on probation will exclude any unpaid breaks not worked by the employee. At any time during this probationary period, the employee may be returned to the employee's previous position or to a position to which the employee may have been transferred or assigned prior to the promotion, at the discretion of the Employer, and without recourse to the grievance procedure. Performance reviews will be conducted at a minimum of once within the second and fourth month of employment and prior to the end of the promotional probationary period.

ARTICLE 7. SENIORITY

- 7.1 General Class Seniority. Class seniority shall be determined based on the continuous length of probationary and regular service with the Employer (Independent School District No. 625, Saint Paul Public Schools) from the date the employee was first appointed to a job class covered by this Agreement. Class seniority shall be understood to be on an Employer-wide (District-wide) basis within each job class unless expressly stated otherwise. In cases where two or more employees are appointed to the same class title on the same date, the seniority shall be determined by the employee's rank on the eligible list from which certification was made.
- 7.1.1 It is further understood that only time worked for the Employer (Saint Paul Public Schools) shall be considered for the purpose of seniority calculations. The only exception is for regular employees currently employed by the Employer as of July 1, 1993, who have accrued time in a job class represented by the Union in service with the City of Saint Paul prior to July 1, 1993. For those regular employees, the time in such job class with the City of Saint Paul will continue to be considered as time with the Employer. If, however, the employee has a break in employment with the Employer, (i.e., termination, resignation, retirement) thereafter, if re-employed, only the time following the employee's subsequent rehire to the Employer will be considered for purpose of seniority calculation.
- 7.1.2 Employees covered by this agreement who resign and transfer to a position with the City of Saint Paul and do not pass completion of their probationary period for a position with the City of Saint Paul do not maintain rights to return to their position with the District. Successful completion of the probationary period for a position with the City of Saint Paul by any employee covered by this Agreement shall be considered a break in employment with the Employer.
- 7.2 Class Seniority Determination For Workforce Reductions. In the event that the Employer determines that it is necessary to reduce the workforce, employees will be laid off in inverse order of class seniority in the job class from which the reduction is to occur. The Employer must terminate the employment of all temporary and provisional employees in that job class before any regular employee in that job class is laid off. **The appointing officer shall give thirty (30) days notice to any employee being laid off, except in cases of seasonal, temporary, intermittent, or similar employment or in cases of unforeseeable lack of work or funds.**

ARTICLE 7. SENIORITY (continued)

- 7.3 Class Seniority Determination For Placement Following A Workforce Reduction. For purposes of this Section, the job classes covered by this Agreement (excluding Custodian-Engineer Trainee and abolished job classes) shall be considered one job class series. The job class with the highest rate of pay shown in Appendix A shall be the highest level job class in the series. The job class with the next highest rate of pay shown in Appendix A shall be the next highest level job class in the series, and so on down to the last job class. When the number of employees in higher level job classes is to be reduced, employees will be offered reductions to the next highest level job class, whether or not the employee previously was appointed to such job class, in which class seniority would keep the employee from being laid off.

It is understood that an employee being reduced shall have that employee's class seniority in his/her current job class (and any appropriate class seniority in any lower level job class that the employee previously held) used to determine rights to positions at the time of the reduction. Thereby, employees whose positions are to be reduced shall have the right to displace employees with less class seniority in that job class. The employee with the least class seniority in the job class shall then be reduced to the next lowest title for which the employee has more seniority than the least senior employee in that job class. Employees being reduced shall not have the ability to reduce to abolished job classes shown in Appendix A, unless the employee was previously appointed to such job class, has no breaks in employment since appointed to such job class, and there remain employees actively employed in that job class at the time of the layoff.

- 7.4 Recall From Workforce Reductions. Recall from workforce reduction shall be in order of class seniority within the job class from which the layoff occurred. However, recall rights shall expire after two (2) years from the date of the layoff.

- 7.5 Class Seniority Determination Following Voluntary Reduction. In the event that an employee requests a voluntary reduction to a lower level job class, and such request is approved by the Human Resource Department for the Employer, then the employee's class seniority in the job class to which the employee is being reduced shall be the continuous length of probationary and regular service with the Employer from the date the employee was first appointed to the job class in this Agreement to which the employee will be reduced (this would also include any continuous service time in higher level job classes covered by this Agreement). If the employee is reduced to a lower level job class not previously held, then the employee's class seniority in the job class to which the employee is being reduced shall be the continuous length of probationary and regular service with the Employer from the date the employee was first appointed to any higher level job class covered by this Agreement.

Voluntary reductions will only be approved if the reduction is to a vacant position in a lower level job class. It is understood that the employee will have no reinstatement rights back to the former higher level job class following the voluntary reduction. If the employee is reappointed to the higher level job class through the appropriate testing and selection procedures, then the employee's class seniority in that job class will begin as if newly appointed to that job class. No employee will have the ability to voluntarily reduce to any of the abolished job classes shown in Appendix A.

ARTICLE 7. SENIORITY (continued)

7.6 Seniority for Bidding on Location

7.6.1 Bidding for Location. Annually, after the beginning of the school year, the Office of Facility Operations will post a listing of vacant positions in all job classes with the locations of the vacancies. Employees who have been certified and appointed to one of the above listed job classes may bid for an assignment in that same job class at a different location shown on the posting. Bids for assignments will be honored in order of class seniority in that job class providing the employee is qualified for the assignment. No other positions are posted for bid. Vacancies in new buildings will be open to bidding only by employees who have had satisfactory or higher performance ratings for at least the preceding year. Custodian-Engineer vacancies in new buildings will be listed only to allow employees in that job class to express interest in being considered by submitting a letter to the department head.

- a) Additional vacancies in job classes during the school year will be similarly posted for bidding as they occur during the year, if there are appropriate vacancies available.
- b) An employee who has been reassigned as a result of the bidding process is not eligible for any further reassignment from bidding for at least one (1) calendar year following placement date. An employee whose shift is changed significantly on a permanent basis, or whose shift is changed from a daily assignment at one location to more than one location, may bid once again in the same year.
- c) A Custodian-Engineer 2 who is assigned to evening shift must complete one (1) year as an Engineer 2 before having the right to bid.
 - If the Custodian-Engineer 2 assigned to evening shift bids on another evening shift and is reassigned as a result of this bidding process he/she is not eligible for any further bidding for one (1) year.
 - If the Custodian-Engineer 2 assigned to evening shift is reassigned to a day shift as a result of this bidding process he/she is not eligible for any further bidding for two (2) years.
 - If the Custodian-Engineer 2 assigned to day shift is reassigned as a result of this bidding process he/she is not eligible for any further bidding for two (2) years.
 - An employee whose shift is changed significantly (by more than two [2] hours) on a permanent basis, or whose shift is changed from a daily assignment at one location to more than one location, may bid once again without waiting the full two (2) years.
- d) Nothing in this provision shall be construed to limit the right of the Employer to transfer an employee to another location without bidding if there is reason to do so.

ARTICLE 7. SENIORITY (continued)

7.6.2 Class Seniority Determination For Workforce Reductions. In the event that the Employer determines that it is necessary to reduce the workforce, employees will be laid off in inverse order of class seniority in the job class from which the reduction is to occur. The Employer must terminate the employment of all temporary and provisional employees in that job class before any regular employee in that job class is laid off.

7.6.3 If any full-time employee's position at a specific building is eliminated and/or changed to require the employee be scheduled to regularly perform work in two buildings, the newly assigned employee will:

- a) Have the employee's class seniority recognized in the second building(s).
- b) Have the employee's class seniority recognized in the new building(s) and may use such class seniority in the new building(s) assignment for purpose of displacing the employee with the least class seniority in the same classification from that employee's scheduled shift, providing the newly assigned employee has more class seniority than the employee being displaced. Full-time employees may not displace part-time employees, and part-time employees may not displace full-time employees.
- c) Retain the right to reclaim that employee's original position in the first location should it reopen in the next thirteen (13) months, provided the employee has not accepted a position through any bid process.

7.6.4 A full-time employee whose position is eliminated and who is assigned to a "floater" assignment in the employee's job class, at that time, shall have the right to displace the least senior employee in the same job class who holds a building assignment. If a "floater" position remains as an available vacancy, the displaced least senior employee can be reassigned to a "floater" position in the same job class.

A full-time employee whose position is eliminated and who is placed in an assignment in the employee's job class that is more than two (2) hours different than the shift assignment prior to the position elimination, at that time, shall have the right to displace the least senior employee in the same job class who holds a shift assignment that is within two (2) hours of the shift assignment prior to the position elimination. If a "floater" position remains as an available vacancy, the displaced least senior employee can be reassigned a "floater" position in the same job class.

7.7 Seniority for Shift Selection

7.7.1 All shifts and work areas are determined by the Employer. Nothing in this Section 7.7 should be construed to limit the right of the Employer (department head or designee) to change an employee to another shift or work area if there is reason to do so.

7.7.2 There is no building seniority status for the purpose of bidding on locations or shifts.

ARTICLE 7. SENIORITY (continued)

- 7.7.3 When a shift adjustment of more than two (2) hours earlier or later is made by the Employer, and is planned to continue for more than thirty (30) working days, then shift assignment for employees in that building in the classification of the adjusted shift shall be re-bid. Class seniority shall be the determining factor, so long as the employee is qualified and able to perform the duties of the assignment.
- 7.7.4 When a vacancy occurs in a building, the opening will not be offered for bid in the building. Plant Planning and Maintenance will review and determine any schedule or classification change, and whether the vacancy will be filled. If the vacancy is to be filled, the position will then be offered for location bid pursuant to Section 7.6.1 of this Article.
- 7.7.5 When a shift change of more than four (4) hours occurs in a position or several positions, then the position(s) shall be offered for bid pursuant to 7.6.1 of this Article. An employee displaced by the re-bid shall be eligible to bid for any other vacancy in that year even if the employee had successfully bid earlier in the same year prior to being displaced.
- 7.8 Seniority Termination. All seniority shall terminate when an employee retires, resigns or is terminated.
- 7.9 Seniority Consolidation. Effective August 1, 1993, the job classes Custodian* and Facility Services Worker will be treated as a single job class for purposes of:
- 7.9.1 Layoff and recall rights determination, except for the limitations on rights to abolished titles as described in 7.3 of this Article.
- 7.9.2 Bidding on work location as described in 7.6 of this Article.
- 7.9.3 Bidding on shift selection within a location as described in 7.7 of this Article.
- 7.9.4 Job assignment as determined by the Employer within any location.

*Abolished except as to present incumbents

ARTICLE 8. VACATION

8.1 Vacation credits shall accumulate at the rates shown below for each full hour on the payroll, excluding overtime.

<u>Years of Service</u>	<u>Accrual Rate*</u>	<u>Annual Hours Earned</u>	<u>Annual Days Earned</u>
1st through 4th year	.0576	120	15
5th through 9th year	.0769	160	20
10th through 15th year	.0846	176	22
16th year through 23rd year	.0961	200	25
24th year and thereafter	.1153	240	30

*Calculations are based on 2,080 hour work year and shall be rounded off to the nearest hour.

8.2 An employee may carry over in the next "calendar" year up to one hundred eighty four (184) hours of vacation.

8.2.1 An employee who has more than one hundred eighty four (184) hours of accrued vacation remaining at the end of the last full pay period in October or is projected to accrue more than one hundred eighty four (184) hours by the end of the year shall either:

- (a) be required to use the hours of vacation in excess of one hundred eighty four (184) hours prior to the end of the calendar year: or
- (b) be compensated for hours in excess of one hundred eighty four (184) hours at end of year: or
- (c) be provided an exception for additional carryover of vacation by means of approval of his/her department head.

The Employer will seek mutual consent of the employee. If unable to reach mutual consent, option a, b, or c is at the discretion of the Employer.

8.2.2 When option C of 8.2.1 is exercised, the employer and employee shall determine mutually agreeable dates to provide for the usage of the excess number of additional carryover vacation hours.

8.3 All vacation time shall be approved by the department head. Upon separation from service, if employee has provided ten (10) calendar days' notice to the Employer in writing, any unused, accrued vacation shall be paid at the employee's current rate of pay. If an employee has been granted more vacation than the employee has earned up to the time of separation from service, the employee shall reimburse the District for such unearned vacation at the employee's current rate of pay. If an employee is separated from service by reason of discharge, retirement or death, the employee shall be paid for any unused, accrued vacation earned up to the time of such separation. Retiree unused vacation is paid to the employee upon retirement. This is separate from severance.

ARTICLE 8. VACATION (continued)

- 8.4 Vacation Usage. Vacation may be requested up to six (6) months in advance and employees allowed to take three (3) weeks maximum of their yearly accrual during September through June (end of school year). A maximum of two (2) employees off on any day at buildings with two (2) or less employee buildings. Vacation is approved subject to coverage from the end of the schools year until two (2) weeks prior to the next school year.
- 8.5 Sick Leave Conversion. 1.3 Eligibility requirements for all retirees:

- A. A retiree may not carry his/her spouse as a dependent if such spouse is also an Independent School District No. 625 retiree or Independent School District No. 625 employee and eligible for and is enrolled in the Independent School District No. 625 health insurance program, or in any other Employer-paid health insurance program.
- B. Additional dependents beyond those designated to the District at the time of retirement may not be added at District expense after retirement.
- C. The employee must make application through District procedures prior to the date of retirement in order to be eligible for any benefits provided in this Section.
- D. Employees terminated for cause will not be eligible for employer contribution toward insurance premiums for either pre-age 65 or post-age 65 insurance coverage.

ARTICLE 18. EMPLOYEE BENEFITS (continued)

Subd. 2. Employer Contribution Levels for Employees Retiring Before Age 65

- 2.1 Health Insurance Employer Contribution. The District will for the period of this Agreement provide employees who meet the eligibility requirements for health insurance in 1.1 or 1.2 above, who retire during the term of this Agreement, and until such employees reach sixty-five (65) years of age, such health insurance premium contributions up to the same dollar amount as were made by the District for health insurance for single or family coverage by that carrier, for an employee under this Agreement, in his/her last month of active employment. In the event new carriers replace those in place at execution of this Agreement, the dollar amounts being paid for single or family coverage to the carrier at the employee's date of retirement shall constitute the limit on future contributions. Any employee who is receiving family coverage premium contribution at date of retirement may not later claim an increase in the amount of the Employer obligation for single coverage premium contributions to a carrier after deleting family coverage.
- 2.2 Life Insurance Employer Contribution. The District will provide for early retirees who qualify under the conditions of 1.1 or 1.2 above, premium contributions for eligible retirees for \$5,000 of life insurance only until their 65th birthday. No life insurance will be provided, or premium contributions paid, for any retiree age sixty-five (65) or over.

Subd. 3. Benefit Eligibility for Employees After Age 65

- 3.1 Employees hired into the District before July 1, 1996, who retired before age 65 and are receiving benefits per Subd. 2 above are eligible, upon reaching age 65, for employer premium contributions for health insurance described in Subd. 4 of this Article.
- 3.2 Employees hired into the District before July 1, 1996, who retire at age 65 or older must have completed the eligibility requirements in Subd. 1 above or the following eligibility requirements to receive District contributions toward post-age-65 health insurance premiums:
- A. Employees hired before January 1, 1987, must have remained continuously employed by the District. For such employees or early retirees who have not completed at least twenty (20) years of service with the District at the time of their retirement, the Employer will discontinue providing any health insurance contributions upon their retirement or, in the case of early retirees, upon their reaching age 65.
 - B. Employees hired on or after January 1, 1987 and prior to July 1, 1996, must have completed twenty (20) years of continuous employment with the District. For such employees or early retirees who have not completed at least twenty (20) years of service with the District at the time of their retirement, the Employer will discontinue providing any health insurance contributions upon their retirement or, in the case of early retirees, upon their reaching age 65.

Years of certified civil service time with the City of Saint Paul earned prior to July 1, 1996, will continue to be counted toward meeting the District's service requirement of this Subd. 3. Civil service time worked with City of Saint Paul after May 1, 1996, will be considered a break in District employment.

- 3.3 Employees hired on or after July 1, 1996, shall not have or acquire in any way any eligibility for Employer-paid health insurance premium contribution for coverage in retirement at age sixty-five (65) and over in Subd. 4. Employees hired on or after July 1, 1996, shall be eligible for only early retirement insurance premium contributions as provided in Subd. 2 and Deferred Compensation match in Subd. 5.

ARTICLE 18. EMPLOYEE BENEFITS (continued)

Subd. 4. Employer Contribution Levels for Retirees After Age 65

- 4.1 Employees hired into the District before July 1, 1996 and who meet the eligibility requirements in Subdivisions 3.1 or 3.2 of this Article are eligible for premium contributions for a Medicare Supplement health coverage policy selected by the District. Premium contributions for such policy will not exceed:

<u>Coverage Type</u>	<u>Single</u>	<u>Family</u>
Medicare Eligible	\$300 per month	\$400 per month
Non-Medicare Eligible	\$400 per month	\$500 per month

At no time shall any payment in any amount be made directly to the retiree.

Any premium cost in excess of the maximum contributions specified must be paid directly and in full by the retiree, or coverage will be discontinued.

- Subd. 5. Employees hired after July 1, 1996, are eligible to participate in an employer matched Minnesota Deferred Compensation Plan or District approved 403(b) plan. The District will match up to \$1,000 per year of consecutive active service. Part-time employees working half-time or more will be eligible for up to one half (50%) of the available District match.

Federal and state rules governing participation in the Minnesota Deferred Compensation Plan shall apply. The employee, not the District, is solely responsible for determining his/her total maximum allowable annual contribution amount under IRS regulations. The employee must initiate an application to participate through the District's specified procedures.

- 5.1 Employees hired in the District on or after January 1, 2014, shall be eligible for \$200 per year employer match in addition to the match amount provided in this section for employees hired after January 1, 1996.

Additionally, Effective January 1, 2016, all employees hired in the District after January 1, 2014, will receive a \$200 per year district contribution toward a health care savings plan.

ARTICLE 19. MILEAGE

- 19.1 Mileage Allowance. Employees of the School District, under policy adopted by the Board of Education, may be reimbursed for the use of their automobiles for school business. The mileage allowance for eligible employees shall be established by the Board of Education. The mileage reimbursement rate shall be indexed periodically to reflect the rate established by the Internal Revenue Service.
- 19.2 Reimbursement Procedures. An employee must keep a record of each trip made. Reimbursement shall be for the actual mileage driven in the performance of assigned duties as verified by the appropriate school district administrator and in accordance with School District Business Office policies and procedures.

ARTICLE 20. SEVERANCE PAY

20.1 The employee must be eligible upon separation of service to receive pension benefits under provisions of the St. Paul Teachers Retirement Fund, the Public Employee's Retirement Association of Minnesota (PERA) or other public employee pension program.

20.2 Effective January 1, 2017, The International Union of Operating Engineer employees are eligible to participate in the Minnesota Post Employment Health Care Savings Plan (HCSP) established under Minnesota Statutes, section 352.98 (Minn. Supp. 2001) and as outlined in the Minnesota State Retirement System's Trust and Plan Documents. All funds collected by the employer for severance on the behalf of the employee will be deposited into the employee's post employment health care savings plan account.

To be eligible for the HCSP sheltering severance pay, an employee must meet the following requirements:

20.2.1 The employee must be eligible for pension under the provisions of Public Employees Retirement Association (PERA).

20.2.2 The employee must be voluntarily separated from School District employment with at least 10 years of consecutive benefit eligible service prior to retirement or have been subject to separation by layoff or compulsory retirement. Those employees who are discharged for cause, misconduct, inefficiency, incompetence or any other disciplinary reason are not eligible for this severance pay program.

20.3 If an employee notifies the Human Resource Department three (3) months in advance of the date of retirement and requests severance pay and if the employee meets the eligibility requirements set forth in 19.2 above, he or she will receive a District contribution to the School District No. 625 HCSP in an amount equal to \$125 for each day of accrued, unused sick leave, up to 176 days. See also Article 8 Vacation 8.3.

20.3.1 If an employee notifies the Human Resource Department in less than three (3) months in advance of the date of retirement and requests severance pay and if the employee meets the eligibility requirement set forth above, he or she will receive a District contribution to the School District No. 625 HCSP in an amount equal to \$65 pay for each day of accrued, unused sick leave up to 231 days.

20.3.2 If exigent circumstances exist, such as a sudden illness/injury of the employee or immediate family member necessitating immediate retirement, and if the employee meets the eligibility requirements set forth above, he or she will receive a District contribution to the School District No. 625 HCSP in an amount equal \$125 pay for each day of accrued, unused sick leave up to 176 days. This maximum applies to unused sick leave accruals.

20.4 The maximum amount of severance pay that any employee may obtain through HCSP is \$22,000.

20.5 For the purpose of this HCSP, a death of an employee shall be considered as separation of employment and, if the employee would have met all of the requirements set forth above at the time of his or her death, contributions to the HCSP shall be made to the employee's estate.

ARTICLE 21. DISCIPLINE

- 21.1 The Employer will discipline employees for just cause only. Discipline will be in the form of:
- 20.1.1 Oral reprimand;
 - 20.1.2 Written reprimand;
 - 20.1.3 Suspension;
 - 20.1.4 Reduction;
 - 20.1.5 Discharge.
- 21.2 A notice in writing of Suspensions, Reductions, and Discharges shall be sent to the employee and the Union seventy-two (72) hours after such action is taken.
- 21.3 Employees and the Union will receive copies of written reprimands and notices of suspension and discharge.
- 21.4 Employees may examine all information in their Employer personnel file that concerns work evaluations, commendations and/or disciplinary actions. Files may be examined at reasonable times under the direct supervision of the Employer.
- 21.5 Preliminary Review. Prior to issuing a disciplinary action of unpaid suspension, demotion, or discharge, the supervisor will make a recommendation to his/her supervisor regarding proposed discipline. That supervisor will then schedule a meeting with the employee prior to making a final determination of the proposed discipline. The employee shall have the opportunity to have union representation present and be provided the opportunity to speak on his/her behalf regarding the proposed action. If the employee is unable to meet with the supervisor, the employee and/or union will be given the opportunity to respond in writing.
- 21.6 An employee to be questioned concerning an investigation of disciplinary action shall have the right to request that a Union representative be present.
- 21.7 Employees who are suspended, demoted or discharged shall have the right to request that such actions be considered a "grievance" for the purpose of processing through the provisions of Article 22 (Grievance Procedure); as an alternative option, such employee can request a review, consistent with Minnesota Statute § 179A.20, Subd. 4. Once an employee or the Union acting in the employee's behalf initiates review in one forum, the matter shall not be again reviewed in another forum. Oral reprimands shall be subject to the grievance review procedures through Step 3 only.

An employee who elects the contractual grievance procedure as the forum for review of a disciplinary action has not thereby waived any rights secured to him/her under Minnesota Statute § 197.46, other than the choice of forum for review.

ARTICLE 22. GRIEVANCE PROCEDURE

- 22.1 The Employer shall recognize Stewards selected in accordance with Union rules and regulations as the grievance representative of the bargaining unit. The Union shall notify the Employer in writing of the names of the stewards and of their successors when so named.
- 22.2 It is recognized and accepted by the Employer and the Union that the processing of grievances as hereinafter provided is limited by the job duties and responsibilities of the employees and shall therefore be accomplished during working hours only when consistent with such employee duties and responsibilities. The steward involved and a grieving employee shall suffer no loss of pay when a grievance is processed during working hours provided the steward and the employee have notified and received the approval of their supervisor to be absent to process a grievance and that such absence would not be detrimental to the work programs of the Employer.
- 22.3 The procedure established by this Article shall be the sole and exclusive procedure, except for the appeal of disciplinary action as provided by Article 21, for the processing of grievances, which are defined as an alleged violation of the terms and conditions of this Agreement. A grievance shall be resolved in conformance with the following procedure:

Step 1. Upon the occurrence of an alleged violation of this Agreement, the employee involved shall attempt to resolve the matter on an informal basis with the employee's supervisor. If the matter is not resolved to the employee's satisfaction by the informal discussion, it may be reduced to writing and referred to Step 2 by the Union. The written grievance shall set forth the nature of the grievance, the facts on which it is based, the alleged section(s) of the Agreement violated, and the relief requested. Any alleged violation of the Agreement not reduced to writing by the Union within fourteen (14) calendar days of the first occurrence of the event giving rise to the grievance shall be considered waived. At this step only, an extension of seven (7) additional calendar days shall be granted automatically if requested by the Business Representative or steward.

Step 2. Within fourteen (14) calendar days after receiving the written grievance, a designated Employer supervisor shall meet with the Union steward and attempt to resolve the grievance. If, as a result of this meeting, the grievance remains unresolved, the Employer shall reply in writing to the Union within fourteen (14) calendar days following this meeting. The Union may refer the grievance in writing to Step 3 within fourteen (14) calendar days following receipt of the Employer's written answer. Any grievance not referred in writing by the Union within fourteen (14) calendar days following receipt of the Employer's answer shall be considered waived.

Step 3. Within fourteen (14) calendar days following receipt of a grievance referred from Step 2, a designated Employer supervisor shall meet with the Union Business Manager or designated representative and attempt to resolve the grievance. Within fourteen (14) calendar days following this meeting, the Employer shall reply in writing to the Union stating the Employer's answer concerning the grievance. If, as a result of the written response, the grievance remains unresolved, the Union may refer the grievance to Step 4. Any grievance not referred in writing by the Union to Step 4 within fourteen (14) calendar days following receipt of the Employer's answer shall be considered waived.

ARTICLE 22. GRIEVANCE PROCEDURE (continued)

Step 4. If the grievance remains unresolved, the Union may within fourteen (14) calendar days after the response of the Employer in Step 3 by written notice to the Employer, request arbitration of the grievance. The arbitration proceedings shall be conducted by an arbitrator to be selected by mutual agreement of the Employer and the Union within fourteen (14) calendar days after notice has been given. If the parties fail to mutually agree upon an arbitrator within the said fourteen (14)-day period, either party may request the Bureau of Mediation Services to submit a panel of five (5) arbitrators. Both the Employer and the Union shall have the right to strike two (2) names from the panel. The Union shall strike the first (1st) name; the Employer shall then strike one (1) name. The process will be repeated and the remaining person shall be the arbitrator.

- 22.4 The arbitrator shall have no right to amend, modify, nullify, ignore, add to or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the specific issue submitted in writing by the Employer and the Union and shall have no authority to make a decision on any other issue not so submitted. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the application of laws, rules or regulations having the force and effect of law. The arbitrator's decision shall be submitted in writing within thirty (30) days following close of the hearing or the submission of briefs by the parties, whichever be later, unless the parties agree to an extension. The decision shall be based solely on the arbitrator's interpretation or application of the express terms of this Agreement and to the facts of the grievance presented. The decision of the arbitrator shall be final and binding on the Employer, the Union, and the employees.
- 22.5 The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the Employer and the Union, provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record.
- 22.6 The time limits in each step of this procedure may be extended by mutual agreement of the Employer and the Union.
- 22.7 It is understood by the Union and the Employer that if an issue is resolved at any step by this grievance procedure, that issue shall not again be submitted for review under the provisions of the Rules and Regulations of Civil Service. It is further understood that if an issue is submitted and resolved at any step by the grievance procedure under the Civil Service Rules and Regulations, It shall not be submitted for review and arbitration under procedures set forth in this Article.

ARTICLE 23. STRIKES, LOCKOUTS, WORK INTERFERENCE

- 23.1 The Union and the Employer agree that there shall be no strikes, work stoppages, slowdowns, sit-down, stay-in or other concerted interference with the Employer's business or affairs by said Unions and/or the members thereof, and there shall be no bannering during the existence of this Agreement without first using all possible means of peaceful settlement of any controversy which may arise.
- 23.2 No lockout, or refusal to allow employees to perform available work, shall be instituted by the Employer and/or its appointing authorities during the life of this Agreement.

ARTICLE 24. TERMS OF AGREEMENT

- 24.1 Complete Agreement and Waiver of Bargaining. This Agreement shall represent the complete Agreement between the Union and the Employer. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make requests and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the complete understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement.
- 24.2 Savings Clause. This Agreement is subject to the laws of the United States, the State of Minnesota, and the City of Saint Paul. In the event any provision of this Agreement shall hold to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided, such provision shall be voided. All other provisions shall continue in full force and effect.
- 24.3 Terms of Agreement. Except as herein provided, this Agreement shall be effective as of July 1, 2020, and shall continue in full force and effect through the 30th day of June 2022, and shall be automatically renewed from year to year thereafter unless either party shall notify the other in writing at least sixty (60) days before the termination of this Agreement that it desires to modify or terminate this Agreement. In witness thereof, the parties have caused this Agreement to be executed as signed and dated below.
- 24.4 This constitutes a tentative Agreement between the parties which will be recommended by the District Negotiations and Employee Relations Manager, but is subject to the approval of the Board of Education, and is also subject to ratification by the Union.

Temporary employees shall be paid the minimum rate indicated in this Appendix for the classification in which they are employed.

*Abolished except as to present incumbents.

APPENDIX B: EQUALIZATION OF OVERTIME FOR CUSTODIAL SERVICE

The purpose of this Appendix is to state clearly the intent of the parties regarding procedures which will be used to call and/or assign employees in the unit for overtime work during the term of the 2006-2008 Labor Agreement.

These procedures shall become effective beginning with the first full month after the Board of Education adoption of the 1998-2000 Labor Agreement. Renewal, revision, or continuation of these provisions will occur only if the parties so agree. Absent such agreement, the provisions of this Appendix B terminate June 30, 2020.

Section 1. Qualified Employees

A qualified person for all provisions of this policy is a regular full-time custodian or facility services worker, or custodian-engineer who holds the appropriate license for the task, and has demonstrated satisfactory job performance.

- 1.1 An employee who has specified physical restrictions which impair his/her ability to perform a particular overtime task will not be assigned the overtime; for purposes of calling order he/she will be considered, however, as having worked that overtime.

Section 2. Overtime Within a Building

Employees assigned to a particular building will have the first opportunity to work overtime in that building. Persons who are interested in working overtime in the building will be required to sign in advance. The employees will be placed on a list in order of District seniority. When a need for overtime arises, the qualified most senior employee on the list will be called first unless the employee has already worked overtime in that fiscal year. If the qualified most senior employee has already worked overtime in that fiscal year, the next qualified employee on the list will be called until all employees in the building have worked overtime. When all employees have worked overtime, the process will be repeated. When an employee is asked to work overtime in the building and refuses, he/she will be considered as having worked that overtime. If there are no employees in the building who want to work overtime, then the overtime shall be classified as District overtime and distributed as described below.

- 2.1 When an employee is newly assigned to a building, his/her overtime eligibility history for that location will be determined by assigning to him/her the average of overtime hours credited to date for all affected employees in that location (average of hours worked and/or refused).
- 2.2 The overtime history of each employee will be carried over from year to year in each building for that building.

Section 3. District Overtime

When there is District overtime work to be done on a planned basis (i.e., it is of a non-emergency nature), regular employees assigned as relief staff will have the first opportunity to work the overtime. Qualified relief staff members will be contacted for the overtime work in seniority order (i.e., most senior first) unless the employee has already worked overtime in that fiscal year. When a qualified employee who is asked to work overtime refuses the work, he/she will be considered as having worked that overtime assignment. If there are not sufficient qualified relief staff employees available, qualified employees listed as available for emergency call out will be called by the same procedure.

APPENDIX B: EQUALIZATION OF OVERTIME FOR CUSTODIAL SERVICE (continued)

Effective July 1, 1998, the assigned relief staff will no longer have first opportunity to work District overtime. In September of each year Facility Operations will allow people interested in working District overtime to sign up to be called. The most senior employees in one of three groups, 1) Facility Services Worker/Custodian, 2) Engineer, or 3) Supervisor (Engineer 3-5), will be called for overtime needed in the group based on seniority order, unless employee has already worked overtime in that fiscal year. When a qualified employee who is asked to work overtime refuses the work, he/she will be considered as having worked that overtime assignment. If there are not sufficient qualified relief staff employees available, qualified employees listed as available for emergency call out will be called by the same procedure.

Section 4. Mandatory Overtime

The District retains the right to institute mandatory overtime if there are inadequate volunteers to meet District needs. The mandatory system requires that the least senior employee who has not worked overtime will be required to work first and so forth. Should mandatory overtime become necessary, employees who have voluntarily worked overtime will be credited with the hours they have previously worked.

Section 5. Emergency Call Outs

This equalization of overtime does not apply to emergency call outs requesting that overtime be worked. A qualified employee who is willing to accept emergency overtime assignment immediately upon notification may ask to be listed as available. The District will not list an employee for emergency call out if the employee has refused overtime work several times, or is not qualified. The District, in assigning emergency call out, will do so as equitably as circumstances permit.

- 5.1 The District will quarterly provide to the Union a copy of the emergency call-out list, and a tally of time worked.

Section 6. Overtime Resulting from Building/Program Moves

Overtime resulting from moving a program or a staff/student population from one building/location to another will be treated as building overtime for staff in the location from which the move originates. If more overtime workers are needed than the originating location can supply, the District overtime procedure will be used to secure additional workers.

Section 7. Grievance Process

An alleged violation of these procedures can be presented to the Employer by the Union for review under the grievance procedures of the labor contract through Step 3, as the final appeal. Step 3 review is at the level of the Superintendent of Schools, or his/her designee.

MEMORANDUM OF UNDERSTANDING
REGARDING TRAINING FOR
INTERNATIONAL UNION OF OPERATING ENGINEERS, LOCAL NO. 70

This Memorandum of Understanding is by and between the Board of Education of Independent School District No. 625, Saint Paul Public Schools, and International Union of Operating Engineers, Local No. 70, exclusive representative for custodial service employees in the Saint Paul Public Schools. The purpose of this Memorandum is to establish a clear understanding of intent of the parties regarding conditions governing a premium pay rate for advanced training for certain classifications of employees in this bargaining unit.

District will permit a minimum of three (3) employees to attend training each year of the collective bargaining agreement at IUOE Training Facility in Crosby, TX. Employees shall be paid for their regular hours worked while attending training.

Statement of Intent and Purpose

It is the intention of the Employer, during the term of this Memorandum of Understanding (through June 30, 2020) to continue a program of special training for employees who occupy the titles:

Custodian-Engineer 5, Board of Education
Custodian-Engineer 4, Board of Education
Custodian-Engineer 3, Board of Education
Custodian-Engineer 2, Board of Education

The purpose of the training will be to strengthen the practical management skills of these employees, particularly with respect to fulfilling the responsibilities of these particular titles.

It is the desire and intent of the Employer that all employees who occupy these titles, both currently assigned and prospectively, will complete this training at the earliest possible opportunity. The training is designed, prescribed, and provided by the Employer at no cost to the employee who has been regularly appointed to a listed title. The training will be taken during the employee's own unpaid time.

Effective July 1, 1996:

1. Engineers who were hired before July 1, 1996, and have not been offered the advanced training program will receive the premium effective July 1, 1996.
2. Engineers who have already completed the required training and qualified for premium payment, or those engineers granted the premium in #1 above, must participate in a required refresher/retraining course, if one is offered by the employer, of one or two sessions every year in order to retain eligibility for premium payment.

The Employer will provide a premium pay factor according to the following formula for current and future employees in these titles who have satisfactorily completed the prescribed training course, and have delivered to the Office of Plant Planning and Maintenance evidence of such satisfactory completion.

The premium pay shall become effective with the first full pay period after completion of the training, but shall not be paid until the evidence of satisfactory completion has been received by the Employer. In no case shall the premium be effective retroactively for more than a three (3)-month period.

MEMORANDUM OF UNDERSTANDING REGARDING TRAINING (continued)

Premium Formula

Effective July 1, 2016:

<u>Title</u>	<u>Premium above Stated Rate</u>
Custodian-Engineer 5, Board of Education	1.00¢ per hour
Custodian-Engineer 4, Board of Education	.70¢ per hour
Custodian-Engineer 3, Board of Education	.50¢ per hour
Custodian-Engineer 2, Board of Education	.50¢ per hour

Custodian Engineer employees who fail to hold and/or renew license/certification will be placed on non-paid leave of absence for a period of up to sixty (60) days for the purpose of obtaining proper certification. Failure to be properly certified within that period will be cause for termination. The District shall reimburse Custodian Engineers for the biennial renewal costs associated with maintaining license/certification.

Employee Newly Appointed to Title

An employee newly appointed to one of these titles after the adoption of this Agreement will be granted premium payment as follows:

- If the training course for a newly appointed engineer is less than six (6) months in length, the engineer will receive the full premium effective with the first full pay period after satisfactory completion of the course.
- If the training course is more than six (6) months in length, the engineer in training will be eligible for fifty percent (50%) premium payment effective with first full pay period after satisfactory completion of one-half (1/2) of the training program.

Should the employee fail to satisfactorily complete the training within the time periods established for the course, the partial premium payment will be discontinued and no premium will be paid until such time as the satisfactory completion has been accomplished.

Evidence of satisfactory completion shall have been delivered by the employee to the Office of Plant Planning and Maintenance before the partial or full premium can be paid, and retroactive adjustment shall not exceed three (3) months.

MEMORANDUM OF UNDERSTANDING REGARDING TRAINING (continued)

This Memorandum of Understanding shall be effective as of July 1, 2020, and shall expire on June 30, 2022.

MEMORANDUM OF UNDERSTANDING
REGARDING USE OF DISTRICT E-MAIL SYSTEM
INTERNATIONAL UNION OF OPERATING ENGINEERS, LOCAL NO. 70

In the interest of maintaining effective labor-management relationships and efficient use of District time and resources, the District e-mail systems may be used by Union representatives for certain Union activities.

Union use of electronic communication technology is subject to the same conditions as employee use of such technology, as set forth in the District Policy. This includes the conditions set forth in the sections pertaining to "information is not private and is subject to District monitoring of e-mail."
