# Implementation Plan Mission Statement

Working together with the community to lead violence prevention and public safety initiatives, the ONS will work to make Saint Paul a safe place to live, work and visit for all. The ONS will build a community-led model for violence prevention and public safety. In addition, its data-driven decision-making allows it to coordinate with stakeholders across sectors.

## Strategic Pillars

In the inaugural year, ONS is guided by the following strategic pillars:

Strengthen  
and build on  
what's  
working

Be  
accountable  
to the  
community

Plan for  
longevity with  
sustainable  
practices

## Goals

This Implementation Plan lays the foundation to achieve the following goals:

Build the ONS Organization

Generate a Strategic Plan

Coordinate "Operation PEACE"

# Implementation Goals

The ONS will focus on the following three goals so key results will position the ONS to be a long-term leader in CFPS:

<b>Build the ONS Organization</b>	<b>Generate a Strategic Plan</b>	<b>Coordinate Operation PEACE</b>
Hire three project coordinators	Gather feedback during district council town halls	Develop list of stakeholders for coordination
Recruit and select NSCC members, who generate its bylaws	Co-design strategic plan with NSCC and Optimal Response leaders	Decide on key neighborhoods for Operation PEACE programming
NSCC establishes working groups	Generate ONS mission, vision and guiding values	Identify key participants for programming
