Letter of support to modify Sec. 409.07. - Hours of sale; Sunday sales to allow Micro Distilleries to have open hours on Sunday for serving intoxicating liquor with existing Cocktail Room license.

To whom it may concern;

Thank you for the opportunity to comment on this important matter.

We believe that the change to the statute would greatly benefit the community and our business. Being able to operate our Cocktail Room on Sundays while our neighbor, Saint Paul Brewing, is open for business will aid in bringing much needed beverage tourism dollars to the neighborhood. By providing a wider array of experience options to the customer, and coupled with the amazing amount of locally owned restaurants just surrounding the Hamm's Brewery complex, we believe that the entire area will see added customer traffic and increased revenue.

The experience 11 Wells Spirits provides our customers is focused on the local nature of the company, and the rich East Side history we are a part of. Many local artists and performers are invited to events here, and we encourage patrons to bring in food from the fine establishments surrounding us. Another day to be open and prosperous would benefit us and those around us. Having equal treatment for equivalent businesses will benefit the community at large.

By allowing us more opportunities to serve the community, we all thrive. Thank you for your consideration in this matter.

The Team at 11 Wells.
