Dear Mr. Haddow and Mr. Niziolek:

The Hamline Midway Coalition (District Council 11) supports the waiver of the 45-day notice period for the Small Brewers Off-Sale 128 ounces license for Burning Brothers Brewing.

Burning Brothers is a beloved neighborhood local business and we support their efforts to expand their business to serve more customers. We do not think there will be negative impacts to the neighborhood of their selling their canned beer. Thus, we do not see the need for the 45-day waiting period.

The result would be their being able to sell their canned beer from their premises as of August 18, 2022.

Thank you for considering this request. If you have any questions, please feel free to contact me 651-494-7682 or [director@hamlinemidway.org](mailto:director@hamlinemidway.org)

Sincerely,
