Jeff Fischbach
DSI License Inspector

Dear Mr. Fischbach:

We're including herewith several petitions that we got back from our neighbors. There were many petitions that haven't been returned yet.

After your phone call few weeks ago, a second round of petitions were mailed out but we haven't got any return.

If you should have any other question, please let us know so that we can go from there. Thanks.

Sincerely,

Khang Chang and Long Yang
