PETITION

Consent for an Off-Sale Liquor Establishment

- (i) *License location restrictions.* These restrictions shall not apply to off-sale/brew pub license or off-sale brewery licenses.
- (3) No license shall be issued for an off-sale location which is within three hundred (300) feet of residentially zoned property, a park or a licensed child-care center, said three hundred (300) feet being calculated and computed as the distance measured from the property line of the premises or building proposed as the location for the off-sale liquor license to the property line of any residentially zoned property, park or child care center in the area for which the license is sought.
- a. The council may waive the restrictions set forth in paragraph (3) above relating to distance if it makes findings that such a license is not inconsistent with the health, safety, morals and general welfare of the adjoining neighbors or community. Factors which may be considered include, but are not limited to the following: the likelihood of increased noise, traffic, litter, loitering or unlawful behavior by patrons of the establishment, excessive artificial lighting, substantial decrease in adjoining property values, and the extent to which any of the potential problems can be addressed by conditions on the license.
- b. In order to waive the restrictions relating to distance the council must first receive a petition from seventy-five (75) percent of the owners and tenants of all private residences, dwellings and apartment houses located within three hundred (300) feet of the proposed off-sale location stating that they have no objection if the waiver relates to residentially zoned property or a written statement consenting to the waiver by the director and/or owner of the child care center if the waiver relates to a licensed child care center.
- c. An establishment holding a valid license on the effective date of this amendment shall not be affected by this limitation, but shall be entitled to have such license renewed so long as they are in compliance with all other requirements of law and there exist no grounds for adverse action against such license.

We, the undersigned, have read and understand City of Saint Paul Legislative Code 409.06(i) stating that any (circle one) residentially zoned property, park or licensed child-care center located within 300 feet of 2305 Como Avenue St. Paul, MN 55108 may consent to the waiver of the 300 feet distance requirement and granting of a Liquor Off-Sale License at the aforementioned location.
