Abc Are the increases the same across all units?

Yes

Percentage Increase Requested

15%

What date are the increases proposed to take effect?

7/1/2022

Which of the following factors are you using to support your application? (Rules explaining each of these elements can be found HERE) This would be used to tell applicants in an auto-email, which ...

["An unavoidable increase in operating expenses","A capital improvement project","An increase in tenants occupying the rental unit","An increase in living space, furniture, furnishings, or equipment"]

Condition of the habitability of the property (referred to as 'warranty of habitability' in the ordinance) Applications for exception to the 3% cap must include consideration of the habitability o...

No known code violations

The information entered above will be used to send you the appropriate documents for your rent increase request. Is there any other information you would like to provide the City at this time?

No, but happy to discuss it further. My number is 507-779-5170. We just purchased the building from an owner who inherited it debt-free from a parent. It was under invested in and rented for less than comparable one bedrooms located two doors down because the trustees had no debt service.
