Ordinance Permit 20210010305

Exhibit H

Form of Public Infrastructure Conveyance

PUBLIC INFRASTRUCTURE CONVEYANCE

ORDINANCE PERMIT # #20210010305

This Public Infrastructure Conveyance Agreement ("<u>Agreement</u>") is made and entered into effective _February 28, 2022, by and between PROJECT PAUL, LLC, a Delaware limited liability company ("<u>Developer</u>"), and CITY OF SAINT PAUL, MINNESOTA, a municipal corporation existing under the laws of the State of Minnesota ("<u>City</u>").

NOW, THEREFORE, in consideration of the mutual obligations of the parties hereto, each of them does hereby covenant and agree as follows:

- 1. <u>Notification</u>. The Developer has delivered to the City a duly executed Certificate of Completion and, thereafter, the City has determined that the applicable components of the Public Infrastructure as described in <u>Exhibit A</u> hereto (the "<u>Infrastructure</u>") appear to have been constructed in accordance with the approved plans and specifications and the preliminary and final plat and has so notified the Developer in writing. As a result, via this Agreement, the Developer is conveying the Property to the City in accordance with the Site Improvement Performance Agreement, dated December 19, 2019. The acceptance of the Infrastructure does not take effect until the Saint Paul City Council accepts the Infrastructure via Resolution.
- 2. <u>Representations.</u> The Developer hereby represents, certifies, and promises to the City the following:
 - (a) With respect to the Property, Developer has complied with the provision of the Redevelopment Agreement, dated December 19, 2019, including that the Property conveyed to the City in this Agreement is completely constructed, constructed in compliance with all applicable Standards as described in the St. Paul Department of Public Works' Construction of Infrastructure by Private Developers Policy, is free of defects, and is free and clear of any encumbrances or liens.
 - (b) A final walk-through inspection with appropriate City staff has been completed and any required corrective work (written punch list) determined through said walk-through or as determined under the normal and ordinary course of on-site observations by City staff or those hired by the City to complete such observations, has been completed.
 - (c) The following documents respecting the Property are complete, accurate, and have been filed with the appropriate department(s) of the City of Saint Paul:
 - (i) Original, reproducible As-Built Plans acceptable to the Department of Public Works, City of Saint Paul are on file with said Department.
 - (ii) Certificate of Completion signed by Engineer of Record who is a licensed Professional Engineer with the State of Minnesota per Minnesota State Statute 326.

- (iii) For sewer systems, video records of televised inspections of sewer mains have been submitted by permittee and approved by Sewer Utility staff.
- (iv) For sewer systems, sewer connection permit information on file with Public Works.
- (v) Operation and Maintenance plans.
- (vi) All other permit requirements as set forth in the Ford site ordinance permit policy.
- (d) Developer has undertaken any and all necessary actions to assign warranties it owns or possesses on or with the Property to the City.
- (e) Developer will duly execute and deliver any other documents as may be reasonably and customarily required in connection with the transfer of the Property to the City.
- 3. <u>Conveyance</u>. The Developer hereby dedicates, conveys and assigns in good title to the City of Saint Paul, together with all hereditaments and appurtenances all rights, entitlements, benefits, permits, approvals, and licenses that pertain to, with, or in the Property in its entirety, without reservation or exception, together with all warrantees, free and clear of any mortgage, pledge, hypothecation, encumbrance, lease, license, lien or others security interest. If necessary, Developer shall execute a recordable Warranty Deed to be recorded with the Ramsey County Registrar's Office.

IN WITNESS WHEREOF, the City and Developer have caused this Agreement to be duly executed in their names and on their behalf, all on or as of the date first above written.

ITEMS TO BE COMPLETED PRIOR TO ACCEPTANCE OF INFRASTRUCTURE AND RELEASE OF PERMIT

Prior to acceptance of any infrastructure and release of City permits, the following items must be completed to the satisfaction of the City:
☐ Corrective (punch list) work completed;
☐ Original reproducible CAD and PDF as-built plans, signed by the Engineer of Record, provided to Public Works; Submittal of final copies of Metropolitan Council Environmental Services and MN Pollution Control Agency Permits (Sewer Extension, SAC Determination, etc.);
☐ Full compliance with project Quality Management Plan or other document(s) governing quality management and quality assurance;
☐ Documentation of compliance with all applicable City and non-City permit requirements, including, but not limited to: City Public Works Right-of-Way Office, Minnesota Pollution Control Agency, Capitol Region Watershed District, and National Pollution Discharge Elimination System permit requirements;
NA Documentation of roadway materials at compaction of grading and base, plant mix design report, strength;
NATI Video of all sanitary sewer mains and laterals, storm sewer mains and laterals, and any structural BMP's (pipe galleries, draintile, sediment control structures, weir structures, etc.) installed under any permit, provided to the Public Works Sewer Division;
NA Sewer Permit drawings for paving connections or stubs installed to service vertical development provided to Public Works, in addition to Private Service Lateral Permit Drawings;
Documentation of Public Works notified for signal and lighting inspection of pole field layouts (staking), conduits and foundations installed, poles and wiring installed, and head positioning and phasing/detection verification (signals only);
NA For infrastructure within parks: Documentation that Parks Department has been notified of completion status;
NA All applicable operation and maintenance manuals provided to Public Works; and
△ Certificate of Compliance signed and submitted to City by Engineer of Record.
