

SHOULD THE COUNCIL APPROVE THIS PROJECT, YOUR ASSESSMENT WILL BE COLLECTED ACCORDING TO THE FOLLOWING PROCEDURE:

PAYMENT INFORMATION When construction of the project has been completed or substantially completed, you will be notified of another public hearing, which will occur either in the same year as the construction or the year following the construction. This public hearing is called "**RATIFICATION OF ASSESSMENT**", at which time the City Council will consider the approval of the assessments for the project.

You will receive more information at the time of the Ratification of Assessments public hearing concerning the number of years the assessment will run and the interest rate.

A few days after the ratification of assessments, you will receive an invoice. You will then have the opportunity to pay all or part of your assessment within 30 days without interest. Any remaining balances will be collected with your property taxes over 20 years with interest. Partial payments are accepted.

DEFERRED PAYMENTS Persons 65 and older, permanently disabled, or active or reserve member of the military who is ordered into active military service may qualify for deferred payment of special assessments. If it would be a hardship and you homestead this property, you may apply for deferred payment after the City Council approves the **RATIFICATION OF ASSESSMENT**.

This is not a forgiveness of payment. It is a deferred payment plan in which interest continues to accrue.

For more information on deferments, please call **651-266-8858**.

First we allow the City to complete the project that will benefit the City. Then, the City assesses owners of the property.

"Great service" City clerks you are doing for property owners where property doesn't bring income. You will help me to get into a foreclosure! I object this assessment
