Total amount due for Delinquent Garbage Bill Assessment 353.01
Legislative Hearing Required Yes

Stated Reason for Appeal (if given)

The hauler requested that the assessment be reduced. This is due to the fact that there were two accounts set up for the property. This lead to two invoices being for Quarter 3 2022. The first was for \$213.23 and the second was for \$121.78. Since the invoice of \$231.23 was for the intial account, the hauler is requested that we reduce the assessment to this amount.

Did you receive a Saint Paul City Council Public Hearing Notice Ratification of Assessment?

I'm not sure if we have talked about this one before - but I discovered that we had two accounts set up for the P/O.

I have now canceled one – but you should have two 3rd Qtr certifications from us for that address. One for \$231.23(this one is correct) and one for \$121.78 (this one you will have to remove and we will reverse on our end.

Thanks
