- Norblom Plumbing is not responsible for possible blockage in water lines due to debris in lines, which may be shaken loose during replacement of fixtures or repair of plumbing system. We also cannot be responsible for leakage due to deteriorated, weak, or old pipes
- No warranty on materials supplied by owner
- Delays or revisits caused by defective or unavailable materials provided by others or by scheduling conflicts will be charged as extras
- Any concrete work assumes concrete depth of 4" or less. Thicker concrete will incur additional charges.
- Finish materials supplied will be standard chrome valves, flexible stainless steel supplies, and PVC traps and waste piping unless otherwise specified in advance.
- Permit will cover work performed by Norblom Plumbing only. Owner/Contractor will be responsible for obtaining required permits for any other work.
- Owner/Contractor responsible for providing adequate parking and work area access
- Norblom Plumbing will not accept responsibility for framing adjustments or repairs required to install our piping to code. We expect to work together with the framers who will provide joist reinforcement, soffit, etc. as required to meet design standards and satisfy code requirements.

Payment terms:

- 20% Deposit required to guarantee a schedule date
- 60% Due on rough-in completion
- Remainder due on completion.
