Dear City Councils:

On May 19, 2020, we had a house fire due to electrical. Over the year, we rebuild our house and during the Legislative Hearing on October 5, 2021, the vacant building registration fees of \$2,284 was to be reduced to \$750 given that the completion date will be at the end of the month.

I am writing to confirm the moved in date is October 29, 2021 and therefore, the reduction should be applied.

Thank you for your time!

Respectfully Yours,
