Dear Mr. Niziolek,

I am writing to express our support for a waiver of the 45-day notification for the public hearing regarding the issuance of a seasonal outside service area license to the Urban Growler Brewing Company, located at 2325 Endicott Street. The St. Anthony Park Community Council Executive Committee approved the waiver via email on April 19, 2022.

Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Kathryn Murray".
