Re. To the politics New name off MOOB Secret Created by Family ground to involve
With Changsha friendships at Phalen lake

We are strongly disagree for our sale tax to support city St. Paul over 20 years + without the tax Moneys use
for local people's personal. Of family projects. Illegal. To build and created
More unfit to the public park of Phalen lake for new name is (Moob) and secret created a Group Peoples name
of (Mong) Equality To created more harassment violence

Pre. released to public YouTube to forget Four Peoples over criminals languages violation of law to the world To
Divided for Two group Of the Hmong after council ward (1) and St. Paul park Manager Request. To the
community Key leader help To view The Rocks Stone complaints By public citizens

The Name off the Hmong No body He/she Cane Change The name of the Hmong To any
Others Name who's personal interest To public with out No any approval By Hmong
Community. Who's Holding The Name Of Hmong To The Worlds

The name of Hmong No matters He / She have the Rights To protect any off Illegal To the
Public And the new name created. Moob is not to representatives. Two groups. Of blue Hmong And White
Hmong , it's Will causes for citizens of the Hmong un sacrifice

We are urge to the city council to remove a fraud stones rock created to conflict
Of Hmong community and recommendations to remove portion friendship of
Changsha Garden for permanent with out No any others Can made decisions
For only The citizens Off The Hmong Can decisions For theirs Our

If not who's will resolve the conflict between the family Her group of Changsha friendships
Violence For Hmong people's Conflict are over The World

Hopefully all the numbers off the city council. Will Consider The Concerns. Of requests

Thank you
