Subject: 2023 Proposed Property Tax
Date: Tuesday, December 6, 2022 8:44:18 AM

Hello:

When I see the proposed property tax increase for the City I cannot imagine how I will be able to afford the increase.

I earn \$30/hour, which I realize is enough to allow me the luxury of owning a home but I have to save money every month in order to be able to make my property tax payments twice per year -- like many people I am living paycheck to paycheck & don't know how I would be able to save enough to make payment for the proposed increases.

Thank you very much for your consideration,
