L Remarks: Fire crews were dispatched to smoke coming from a 2.5 story residential structure. On arrival District Chief 3 upgraded the fire response to a fire assignment due to heavy smoke coming from the attic. The structure was vacant and condemned. Squad 1's crew deployed an 1 3/4 attack hose line through side Charlie for primary fire attack. Engine 17's crew deployed a 2 1/2 with a bundle and backed up Squad 1. Ladder 7 performed a primary search on all floors (Negative) and then performed overhaul on the second floor. Engine 24 and Engine 9 established water supplies. Engine 4 and Ladder 7 performed roof ventilation in several locations due to fire in the knee walls. Ladder 8 was IRIT and Squad 2 performed fire investigation duties. District Chief 2 was Safety Officer and provided side Charlie conditions while Car 50-EMS Coordinator assisted with rehab. Fire was contained to the attic and second floor. The structure was vacant and board up was contacted to secure the building.
