Re: Stay of enforcement of demolition of the Structure at 975 Hudson Road

Dear Ms. Miller and Mr. Thooft:

This is to confirm that this matter was continued to **Tuesday, June 13, 2023 via phone between 10:00 a.m. and 12:00 p.m.**

**As we discussed, you need to contact Building Inspector Clint Zane at 651-266-9029 (between 7 and 9 am) to have him visit the property to either final your building permit or provide a percentage of completion for the hearing on June 13<sup>th</sup>.** Your \$5,000 Performance Deposit hinges on that percentage, so it is important to have Inspector Zane out.

Below is what the system says regarding your permits, I believe Inspector Zane discussed some of this with you:

| IN DATE | STATUS                                                                   | TYPE                  | DESCRIPTION                                                      |
|---------|--------------------------------------------------------------------------|-----------------------|------------------------------------------------------------------|
| 5/19/23 | Issued                                                                   | SPRWS plumbing permit | Contractor Mr. Maison Plumbing for meter relocation repipe       |
| 10/5/22 | Inspected (rough in approved 10/18/22)                                   | Warm Air              | Metro Heating & Cooling – furnace, dryer vent and combustion air |
| 10/5/22 | Inspected (last inspected 10/18/22 with notes that say ongoing, no power | Mechanical            | Metro Heating & Cooling- gas                                     |

|         |                                                                |          |                                             |
|---------|----------------------------------------------------------------|----------|---------------------------------------------|
|         | to furnace or condensate pump                                  |          |                                             |
| 9/2/22  | Inspected – (last inspected 5/22/23 with corrections required) | Electric | Haro Electric Solutions – full house rewire |
| 7/28/22 | <b>EXPIRED</b><br>(inspected 5/19/23 – corrections required)   | plumbing | Lane Plumbing – Category 3 repairs          |

Plumbing: Paul Zellmer 651-266-9048  
Warm Air: Mario Salute 651-266-9063  
Mechanical: Aaron Havlicek 651-266-9043  
Electric: Randy Klossner 651-266-9043  
Building: Clint Zane 651-266-9029

Please contact your contractors and/or inspectors to make sure everyone is on the same page regarding those permits. As always, please contact me at 651-266-8515 with any questions.

Sincerely,

/s/  
Joanna Zimny  
Legislative Hearing Executive Assistant
