Resolution in Support of a Waiver of the 45 day Wait for Lunds & Byerlys

WHEREAS Lunds & Byerlys (L&B) is asking for a waiver of the 45 day wait period for a full on-sale liquor license; and

Whereas Lunds & Byerlys has been in business at 2128 Ford Parkway for almost forty years and is relocating the existing store to 2170 Ford Parkway; and

Whereas the Highland District Council (HDC) Board has partnered on many community events and projects with Lunds & Byerlys throughout the past 20 years; and

Whereas the HDC believes that the new location and layout of Lunds & Byerlys and the new taproom located on the second level with 30 self-serve taps featuring local craft beer and wine, with indoor and outdoor seating, as well as sandwiches and snacks available at the counter will be an asset to the neighborhood of Highland Park; therefore

Be it resolved, that the Highland District Council supports the application from Lunds & Byerlys to waive the 45 day wait period for a full on-sale liquor license at the new location, 2170 Ford Parkway.
