L Remarks: <p>Fire personnel were called by police for a report of a fire on the second floor of a dwelling. Upon our arrival, flames were visible on the second floor, on the alpha and bravo sides. Police had all occupants out of the structure. Squad 1's crew pulled an attack hose line with Engine 4 pulling a backup hose line; working in the offensive strategy.</p> <p>Ladder 7 performed the primary search of the second floor; Engine 8 placed ladders for a secondary egress, established a water supply to Squad 1, and secured outside utilities. Engine 9's crew then established a water supply to Engine 4, completed a primary search on the first floor, in the basement, and checked for extension. Engine 9 secured power at the breakers.</p> <p>Fire companies continued to work on the fire floor with Engine 8 and Ladder 7 checking the attic for extension. Xcel secured gas and electric. Secondary search of all floors was completed by Engine 9. Car 20-Fire Investigator Blank completed their cause investigation. Medic 7 transported the occupant to Regions Hospital for evaluation. Ambulance 2 transported 1 police officer for evaluation.</p> <p>Overhaul and wash down complete. Board up on site. Command terminated.</p>
