Dear TAM ,

Thank you for contacting the City of Saint Paul about your Quarter 3 (July - September) 2023 garbage bill with Gene's Disposal Services. The letter was not sent to you in error, and there is a payment due to the City of \$119.89

In the City of Saint Paul, garbage service is paid for in advance for quarterly service. When bills are unpaid by the end of the billing cycle (three months), they are transferred to the City for payment which zeros out the resident account with the hauler. Then a pending assessment for delinquent garbage is placed on the property for the unpaid amount.

Your Quarter 3 (July - September) bill of \$119.89 was either unpaid or or paid after the billing cycle ended. As a result, Gene's Disposal Services sent your delinquent Quarter 3 (July - September) bill to the City which the City paid on your behalf (that is why your payment history with Gene's Disposal Services shows a zero balance). Therefore, you currently owe the City \$119.89.

If you made a late payment of \$119.89 to Gene's Disposal Services, you will be issued a credit in that same amount on your next bill. You may call your hauler to determine if a credit will be issued. You can find your hauler's contact information on the bill or by searching at stpaul.gov/collectionmap

If you paid the hauler within the service period and believe the assessment was applied in error, please provide verification of payment and we can research removing the assessment. If you would like to contest the assessment for any reason, you can request a legislative hearing. To do that you, you can reply to this email stating you'd like to appeal.

If you'd like to pay the assessment, listed on your letter from the City, there is a website (stpaul.gov/assessments) where you may pay online. If you prefer to send a check, there is also an address listed where you may send your payment:

CITY OF ST PAUL - ASSESSMENTS
700 CITY HALL
15 WEST KELLOGG BOULEVARD
ST PAUL, MN 55102-1658

Please let us know if there is anything else our team can do for you. Per our conversation as soon as I receive your email, I will have someone look into it and get back to you.

Thank you,
Shelly

Internal note

Response from Aspen: *Cydnee spoke with this customer earlier this week and it was discovered we had misapplied the customer's payment. We have since moved the payment and credited off 2 of the a late fees assessed, as the customers payment amount reflected the quarters charges plus one late fee. Please remove this account from the assessment list, everything is corrected on our end.*

Hello Tam,

I got in touch with Aspen about your overdue garbage bill assessment for Quarter 3 of 2023. They confirmed that it was a mistake, so I will recommend that the assessment be removed.

The pending assessment for Jul-Sep 2023 will go to a legislative hearing on January 11, 2024. At the hearing, I will recommend a removal of the full amount and expect that it will be approved. If the hearing officer approves the removal, she will then make the same recommendation to City Council to have it removed.

You are welcome to attend the hearing in-person or by phone, but you do not need to. If you would like to attend, please let me know.

In the meantime, there is no need to pay the assessment. Let me know if you have any questions.

Thank you,

Lydia
