Arrival/departure time

HERE'S WHAT I FOUND:

Today I treated the exterior of the home for ants/spiders and wasps. I was able to remove a wasp nest in the soffit by the front door. I also treated the foundation with a liquid treatment and removed webs off the home. I checked the bait station. Checked the exterior bait station under the stairs and found mild activity. Thank you for choosing Terminix! Hope you have a wonderful day.

Service	Current Status	Technician Notes	Photos
