I own the property directly across the alley at 1445 Grand Ave. I am the neighbor that is most impacted by Mr Schroeder building project.

I am in support of the city granting a variance for this project.

Mr Schroeder is a asset to our neighborhood. His upkeep of his property shows pride of ownership. He is first in line to help a neighbor in need. I as a senior citizen appreciate knowing Tom is across the alley and part of the Mac-grove neighborhood.

Please grant this variance. it will improve our city and the look of the alley.

Thank you,

Richard McDermott
