**Subject:** Graffiti Abatement 782 7th St E

I am writing in response to the public hearing notice we received. We would like to contest the assessment for graffiti removal. Housing Hub is a property management company. We provide third party management services for numerous rental units in St Paul. We have a painter that takes care of all of our painting needs. The abatement notice was received in our office on 10/4/21. The letter was dated 9/29/21 and stated that the graffiti must be removed by 10/2/21. On 10/4/21 after receiving the notice I spoke with Jamal when I called 651-266-8989. I let him know that we just received the notice and that we would have our painter cover up the graffiti. He told me that was fine and we could get it taken care of. Now we are ending up being charged \$237.46. We did what we could to get this matter taken care of. Please remove the assessment. I look forward to hearing from you on this matter. I have attached the notices and notes taken at that time.

Respectfully,

--
