

## **SUBJECT**

**BOARD RESOLUTION NO. 22-353**

Pertaining to the development of an Enhanced Lead Service Line Replacement Plan.

## **BACKGROUND INFORMATION**

The Board was given a proposal, as requested, for a 10-year enhanced lead service line replacement plan at its February 8, 2022 meeting. The plan was met favorably, and the Board requested that staff prepare a resolution in support. This resolution directs staff to initiate that plan as proposed.

See attached presentation.

## **RECOMMENDATION**

Board approval is recommended.
