Service has been disconnected for 30 DAYS or longer. Reconnects go to the Meter Office only, except for discretion of night and weekend personnel.
Spoke w/ Yer Yang. She said there were previously tenants here but it has been vacant for awhile now, & they're working on remodeling. She insisted there were no leaks. She also said one of her neighbors has been using her outside spigot, sounds like on a regular basis. Told her the service order stated that the water was running & the property appeared vacant, so we shut it off -on 6/4/21 -high usage courtesy shut-off. No charge for turning it back on. The neighbors may have left the water running?? There are 2 toilets there -advised her to do the dye test, but need to get the water turned on first. No adjustment on the bill. Also sending her info for assistance. MKO
06/10/21 I SPOKE YER YANG, I EXPLAINED THE CONT LEAK/WATER IS SHUT OFF. I EXPLAINED THE BILL IS CORRECT. PER YER YANG, SHE IS DISPUTING THE BILL. I TRANSFERRED TO THE SUPERVISOR. LDP
* WATER SHUT OFF AS HIGH USE COURTESY - NO CHARGE FOR TURN ON - PROPERTY LOOKS VACANT ** METER OPS
