Mr. Sundberg,

Per our conversation this is confirming today at the public hearing they will continue the public hearing to next Wednesday, March 23, 2022 at 3:30. Should you wish to contest the recommendation be sure to register again before noon next Tuesday 3/22.

As far as additional follow up, I'd like to preface this by saying that City staff cannot design or figure out what or how to achieve compliance. We would strongly encourage you to speak to an architect or someone versed in building/zoning code etc. to bring forward specific proposals that staff can respond to.

That being said, if you would like to speak about Zoning questions, you may contact Yaya Diatta at 651-266-9081. Eric Hudak can speak on licensing, he can be reached at 651-266-9132. Perhaps start there and they could direct you to who to speak with about building code should it be necessary.

Attached is the resolution that will be before Council next Wednesday.
