Hello Mr. Pierson,

Per our phone conversation yesterday, I prepared the file for April 19. I have learned from preparing the file that the summary abatement order was not generated which means it was not sent out to owner, per Inspector Andrew McCollough; therefore, the assessment will be deleted. You don't need to attend the hearing, unless you wish to do so. Also, if you feel that the City should not take those items, you may file a claim. I will send the videos in a separate email.

Here is the link to the claim. <https://www.stpaul.gov/departments/city-clerk/claims>
