Hello Mai,

Can you add this to the file for 1690 Orange Avenue for tomorrow's legislative hearing? Also, we need to update the staff comment section of the file to the following:

City records show that the property owner purchased the property on 10/25/2021. Although the hauler did not receive any payment from the current property owner during Quarter 4 2021, they were billed for 10/25/2022 - 3/31/2022 on their Quarter 1 2022 invoice. Since the hauler could not provide us with information on why the current property owner was assessed for Quarter 4 2021, staff recommends removing the assessment in full.

I have also spoken with the property owner and they will not be attending the legislative hearing since we are recommending deletion.

Thank you!

Noted in previous respond : **I have very limited access to the old ADS system so I am unable to see any notes on the account.** When did the current resident move in? It is stated below that they moved in in October 2021?

Thank you Mary. It appears as though the current property owner should not have been assessed if they were charged for the time period of 10/25/2021 - 03/31/2022 on their Quarter 1 2022 invoice. Please provide an itemized breakdown of the Q4 2021 assessment as why as an explanation for why it was sent to the city for collection. **We need a response by 12:00 pm tomorrow or we will be removing the assessment.**

Best,

We did not receive payment from current owner. We received payment from previous owner in the amount of \$69.01 and we refunded previous owner \$51.31. that is the only payment we received. \$53.88 was tax rolled on 1/4/22. The current owner paid \$\$69.76 on 1/13/22 for 10/25/22 through 3/31/22. I have very limited access to the old ADS system so I am unable to see any notes on the account.

Thank you
