Re: Appeal for Properties at 653 Reaney Ave

Dear Richard Finch:

This is to confirm that at the making-finding Legislative Hearing on May 17, 2022, at which we were unable to reach you, Legislative Hearing Officer Marcia Moermond **found the nuisances related to the Summary Abatement Order abated and the matter resolved.**

The correction order for the vehicles is not in compliance (though you indicated it was, you may want to connect with your inspector), and DSI Code Enforcement may take additional action or fees for noncompliance. You may also want to call the police non-emergency line and speak with them about getting a manager's tow. I'm not sure the rules qualifying that, but they can be reached at 651-291-1111.

The City Council Public Hearing is scheduled for Wednesday, May 25, 2022 at 3:30 pm. in room 300 City Hall. Should you have additional comments to put before Council, you may appear in person or send written testimony to be added to the record to [legislativehearings@ci.stpaul.mn.us](mailto:legislativehearings@ci.stpaul.mn.us) or by voicemail at 651-266-6805. **Otherwise, no further action is needed.**

If you have any questions, please contact me at 651-266-8585.

Sincerely,

/s/

Joanna Zimny
