Yes, my name is Jennifer Peloquin and my property is 615 Lawson Ave East. I got something in the mail saying that you guys did a clean up for my yard from from July 14th to August 13th. You guys did no clean up in my yard at all. I had to pay somebody actually to come out and clean up my yard. If you guys can please give me a call back as soon as possible 651-757-0923. Thanks a lot. Bye bye.
