NOTICE OF VIOLATION AND REQUEST FOR IMPOSITION
OF A 10-DAY SUSPENSION OF YOUR LICENSE

Peters Market Inc.

RE: Cigarette/Tobacco license held by Peters Market Inc., d/b/a Peters Market, for the premises located at 530 St. Peters Street in Saint Paul.
License ID #: 20200001649

Dear Licensee:

The Department of Safety and Inspections (the "Department") is recommending adverse action against the Cigarette/Tobacco license held by Peters Market Inc., d/b/a Peters Market (the "Licensee"), for the premises located at 530 Saint Peter Street in Saint Paul (the "Licensed Premises") for a first-time flavored product violation.

Saint Paul Legislative Code section 324.07(j) prohibits a licensee from selling, offering for sale, or otherwise distributing any flavored tobacco products. Under Saint Paul Legislative Code section 310.17, the conduct of any clerk, employee, manager, or agent working for or on behalf of a licensee is treated as the conduct of the licensee for the purpose of adverse action.

Saint Paul Legislative Code section 324.10(b)(2) sets the presumptive penalties for violations of provisions of the Legislative Code relating to the display, possession, or multiple incidents of sales of menthol or flavored tobacco products. Under section 324.10(b)(2), the presumptive penalty for a first-time violation is a 10-day license suspension.

The Department asserts that the following facts, along with photos of the violations attached herein, constitute proof of a violation of section 324.07(j) of the Saint Paul Legislative Code by a preponderance of the evidence.

Synopsis of Alleged Facts:

On May 12, 2022, Department Inspector Voyda went to the Licensed Premises for a complaint inspection. Inspector Voyda spoke with the store clerk, Salim Hkamt, and informed him that the Department received a complaint that the Licensee was selling flavored tobacco products and he was there for an inspection. In plain sight behind the counter/cash register were multiple flavored tobacco products.

Voyda located and photographed a large volume of flavored tobacco products located behind bags and boxes under the sales counter. Voyda then educated the clerk on the flavor violations and advised to remove all flavored products into a back storage and to call a distributor to pick them up.

You have three (3) options to proceed:

1. If you do not contest the imposition of the proposed adverse action, you may do nothing. If I have not heard from you by **July 22, 2022**, I will presume that you have chosen not to contest the proposed adverse action and the matter will be placed on the City Council Consent Agenda for a 10-day suspension of your license.
2. If you wish to admit the facts but you contest 10-day suspension penalty, you may have a public hearing before the Saint Paul City Council. You will need to send me a letter with a statement admitting to the facts and requesting a public hearing no later than **July 22, 2022**. The matter will then be scheduled before the City Council to determine whether to suspend your license. You will have an opportunity to appear before the Council and make a statement.
3. If you dispute the facts outlined above, you may request a hearing before an Administrative Law Judge (the "ALJ"). You will need to send me a letter disputing the facts and requesting an administrative hearing no later than **July 22, 2022**. At that hearing both you and the City will appear and present witnesses and evidence and cross-examine each other's witnesses. After receipt of the ALJ's report (usually within 30 days), a public hearing will need to be scheduled. At that hearing, the City Council will decide whether to adopt, modify or reject the ALJ's report and recommendation. Please note: If you choose an administrative hearing, the Department reserves the right to request that City Council impose the costs of the administrative hearing, per Saint Paul Legislative Code section 310.05(k).
