

# **HOUSING AND REDEVELOPMENT AUTHORITY OF THE CITY OF SAINT PAUL, MINNESOTA**

**REPORT TO THE COMMISSIONERS**

**DATE: DECEMBER 7, 2022**

**REGARDING: RESOLUTION APPROVING THE FINAL 2023 HRA BUDGET AND  
CERTIFYING THE FINAL HRA PROPERTY TAX LEVY PAYABLE  
IN 2023**

## **Requested Board Action**

Certify the final 2023 HRA budget and the final HRA tax levy payable in 2023.

## **Background**

On September 14, 2022, the 2023 HRA budget proposal was presented to the HRA Board of Commissioners. Follow up information was provided subsequent to the September 14, 2022, meeting that answered questions of the HRA Board and provided additional detail on the proposed budget for the HRA. Changes to the proposed budget are attached, including adjustments to carry forward prior-year budgeted program funds in the HRA General Fund and the HRA Loan Enterprise Fund and updated estimates for the capital repair budget in the Parking Enterprise Fund.

On September 21, 2022, the HRA Board of Commissioners adopted a certified maximum 2023 HRA tax levy of \$5,657,150 by resolution RES 22-1423. The maximum 2023 HRA levy is 99.8% of the maximum allowed under State Law. The HRA levy is capped at 0.0185% of the estimated market value of Saint Paul property, projected to be \$30.6 billion in 2023. The maximum levy amount is an increase of \$500,000 from the 2022 HRA levy.

The HRA property tax levy provides revenue to the HRA to support HRA investments in affordable housing development and business and job growth. Activities financed by the HRA through the levy and other sources include maintenance of HRA-owned redevelopment property, HRA programs including the Housing Trust Fund, Rental Rehab Program, and business assistance programs, payroll and overhead for HRA staffing provided by the Department of

Planning and Economic Development, City Attorney services for the HRA, and the mandated State audit of the HRA.

To comply with the State of Minnesota's Truth in Taxation laws, the HRA must certify to Ramsey County the final HRA property tax levy payable in 2023, on or before five working days after December 20, 2022. The proposed final 2023 HRA tax levy to be certified to Ramsey County is \$5,657,150. The attached resolution would certify this final tax levy by that date.

**Future Action**

This action is subject to the approval of the Council of the City of Saint Paul. The Council of the City of Saint Paul will need to approve the HRA Board of Commissioner's recommended final 2023 HRA budget and final HRA property tax levy payable in 2023.

**Recommendation:**

Approval of the final 2023 HRA budget as proposed with the changes attached. Certification of the final HRA tax levy payable in 2023 to Ramsey County on or before five working days after December 20, 2022.
