Subject: 757 So. Cleveland Ave S
Date: Sunday, February 12, 2023 5:08:41 PM

Another business demanding lots of come and go parking.
Heavy traffic that saturates the residential street with non-residents cars and people.
Give the residents a break. You've already overloaded the parking capacity by allowing other businesses including one right across Pinehurst. Waiting to open is a large, new restaurant across Cleveland Ave. from 757.

Say no.
