Hello Peter and Melissa,

I am checking in with you both after receiving your combined income. The combined monthly household gross income is [REDACTED]. The Federal Poverty Guideline for a household of 2 at 200% of FPG is \$3287. Your household is over income for HouseCalls grant funding by [REDACTED]. We will not be able to supply a sanitation crew to help you with the court ordered sanitizing. I am enclosing our HouseCalls Guide that has a section called 'Housing Organizers'. I had also left you both a copy of this when I was out last week. We work closely with both Varin Enterprises (ask for Deb @ 651-342-1385) and Quickturn Properties (ask for Craig @ 651-216-4759). If you hire a crew and work with me on the timing of that cleaning- our program will help you get a dumpster that we will not charge to you. We will have to work out the logistics of where it would get placed and when.

Please reach out to me with questions.
