Yes, clearing the snow walk is considered a nuisance abatement which is a property clean up. Again if you are appeal, please provide a phone number and the whole discussion can take place. The Legislative Hearing Officer can explain the whole process.

I'm still trying to figure this out. If this is an assessment for having the city clear the snow, why don't you say that someplace? Everything I've received so far is totally unclear. Are you saying that this 300+ dollar bill was to clear snow at this property?

I received a letter from the city with your email address. I have no idea what this is about or what it is. It says I'm being assessed \$322 for something. It doesn't say what it is, and I was never alerted to this before now. Can you explain what this is? Why don't you include an explanation in the original mailing? This is not remotely clear or understandable communications.

It's for property address 1240 Saint Paul Avenue It says the file number is J2317A and it is assessment number 238517. The parcel ID is 21-2 8-2 3-2 1-009
