Okay – my mistake I started to put this account on hold back in June for July but must have gotten side tracked – because I didn't cancel it.

He called in October about getting a bill from the City but that is all that was said – he was going to talk to the city about it

CONTACT SAINT PAUL DUE TO HE HAS A BILL FROM THEM

He must not have contacted the city or I would have gotten an e-mail long before now about this issue.

Next communication was from the renter - so he must have someone living here now - not sure if cart is on site or not.
