Thanks Lisa,

He called me yesterday too, I sent you guys an email. Based on these pictures, Mai I'm guessing he will need to participate in the hearing Tuesday. He was all over the place when I talked to him.

Mold Restoration Company on site, they have installed new windows, still missing one window (boarded), appears to have been a fire restoration?? Should this be a VB2?

Mai sent me an email to check on the status of the yard for a hearing next week. I will be gone, so I thought I would update you or Dick so whoever is covering the hearings will know the yard is still a mess. Perhaps you can follow up with Mai regarding the hearing?

Thanks
