Good morning

I was on vacation in November 1 2022 (the whole months) when this Excess bill came to my property , I called 4 time to explain my reason why and I did make payments but my payment was return back an now I missed the April 4 hearing . My next hearing is May17 at 3pm . Which in that time I work at 2pm already.

I try everything in my ability to help explains my reasoning off phone called and even paid but my checks got return.
